- ➢ Meet the Teachers

New Business:
- ➢ Good Reason Houston
- ➢ Academic Bootcamp
- ➢ Fall Staff Review
- ➢ Tutorials

Discussion:

New Business:

Good Reason Houston: Mr. Barnes introduced himself as the Director of Family and Community Engagement. He would like to bring the Good Partner Program to our campus to support our school needs and build parent advocacy. The goal is to build the schools in the community and help students with tools to go to college.

Academic Bootcamp: Mrs. Edwards informed the committee that the academic bootcamp is cancelled due to low student and staff participation.

Fall Review: Mrs. Edwards informed the committee that fall review would be taking place this month and would consist of a committee discussion of teacher and leader performance.

Tutorials: Mrs. Edwards asked the committee about what would work best for tutorials this school year. One suggestion is to hold tutorials during homeroom. The social and emotional learning is also very important and is also done during homeroom. A survey will be created for students and staff to get suggestions on what will work best. We will also purchase resources to support tutorials.
