

What is a School- Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. This compact explains what families and schools can do to bridge the gap between the two “worlds” students live in, home and school.

Parents are welcome to contribute comments at any time!

Parents and guardians are vital to success of our students and our school! You have a significant impact on the way students view the learning process, their attendance, and their motivation.

MAKING THE CONNECTIONS

At School

To continue to encourage the success of our students, Peck Elementary School commits to:

-  *Ensure a safe and caring environment for children.*
-  *Parent-teacher conferences as it relates to the individual child's achievement.*
-  *Provide parents with opportunities to volunteer and participate in their child's class.*
-  *Provide extra tutorials to ensure the success of all students.*

AT HOME

To continue to encourage the success of our students, Peck Elementary School parents commit to:

-  *Keep an open line of communication with teachers and your student regarding academic progress.*
-  *Helping students become organized at home.*
-  *Finding real-world ways to support your student's learning (letter writing, applying math skills when shopping, etc.).*
-  *Providing food, shelter, clothing and a safe environment.*
-  *Preparing scholars for success by maintaining timeliness to school, active daily attendance and school supplies.*

Becoming a Volunteer

If you would like to volunteer, participate and/or observe in a classroom, please contact your child's teacher or Dominique Howell (713)845-7463 or via email at dominique.howell@houstonisd.org

OUR CAMPUS GOALS

Goal 1- *By the end of the 2023-2024 school year, the percentage of 3rd grade students will score at Meets or above as measured on the Reading STAAR will increase 5% percentage points from 78% in spring 2022 to 83 % in spring 2023.*

Goal 2- *By the end of the 2023-2024 school year, the percentage of 3rd grade students who will score at Meets or above as measured on the Math STAAR will increase 5% percentage points from 67% in spring 2022 to 72 % in spring 2023.*

Goal 3- *Increase parental involvement through on-going communications as well as increased participation in the school-wide PTO.*

EMPOWERING STUDENTS. PROMOTING SUCCESS.

Have a Need? Submit a SAF

You can submit a Student Assistance Form (SAF) to inform your school about a need your child has. SAFs can be submitted for any students who may need any resources or services such as:

- Mental health
- Housing
- Supplies
- Food
- Transportation
- And more!

Submit a SAF by scanning the QR code or by typing www.HoustonISDsaf.com

Our Campus Focus

This year Peck Elementary School will work on continuing to close the achievement gap by increasing the number of students who meet or exceed state standards in all academic areas by increasing concentration in a variety of literacy strategies across the curriculum. We will also focus on enhanced social skills as part of student success and to address the whole child. Teachers will provide challenging and engaging work for students that focus on the different learning styles of students for growth and progress during the school year and the years to come.

Our focus in reading: *Students will increase their targeted reading level by one grade level in fluency, comprehension, decoding and oral language development:*

-  Reading fluency and comprehension
-  Vocabulary development
-  Making real-world text connections

Our focus in math: *Students will increase their math knowledge through number sense and problem-solving skills.*

-  Place value and estimation in grades K-5
-  Problem Solving
-  Fact Fluency
-  Vocabulary

Building Partnerships

The parents, students and staff of Peck Elementary School meet yearly to discuss student learning needs based on current grade-level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals.

Peck Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways parents and teachers communicate all year are:

-  Weekly homework folders
-  Parent Conferences
-  Updates on the school Web site and current grades in PowerSchool
-  Monthly School Calendar
-  Twitter
-  Facebook
-  REMIND
