

A SPECIAL MESSAGE FROM
INTERIM SUPERINTENDENT OF SCHOOLS
GRENITA LATHAN

Dear HISD Parent:

The Parent Lab Series hosted by the HISD Office of Special Populations is a coordinated, system-wide approach to inform, engage, and empower our parents with knowledge, tools and resources to foster high levels of academic engagement and student success.

Last week, several sessions were canceled due to Hurricane Laura. The updated schedule was posted last week, and we are reaching out today as an additional measure to ensure parents have been informed of the new schedule.

How to Join?

Join the Live Session:
