What do I do every day?

Go to TEAMS

- Step 1: Log into TEAMS for attendance.
- Step 2: Read your teacher’s virtual classroom board to ensure you understand the daily learning objective and assignments.
- Step 3: Actively participate in live teaching.
- Step 4: Complete the assigned work with assistance, as needed.
- Step 5: Ask your teacher where to submit your assignments to receive credit.

Go to the HUB

- Step 1: Log into the HISD HUB
- Step 2: Click on Digital Resources to access your textbook and online resources.
- Step 3: Submit your work to your assigned course.

Go to CLEVER:

- Step 1: Log into CLEVER to access your textbook and/or online resources.
- Step 2: Click on the resource that your teacher has assigned to you for the day (Edgenuity, Imagine Math, Imagine Literacy, IXL, MyOn, etc.
- Step 3: Complete your online assignment.

Important Reminder:

*To be marked “present” for the day, **STUDENTS MUST attend live lessons and have logged into TEAMS by 11:00 a.m.** Students who miss the 11:00 a.m. deadline will be considered “absent”. Students can resolve the absence by reviewing the recorded live lesson and then submitting their assignments in the HUB by 11:59 p.m.*

*Your grades and attendance count and will determine if you pass or fail the course. Teachers are required to assign a minimum of two assignments per week. **HISD policy still requires students to attend at least 90% of their classes and have a 70% average or above to pass each subject area to receive credit and be promoted.***

Student Expectations: <ul style="list-style-type: none"> • Follow daily schedule, which includes core, STAAR intervention, and elective courses. • Attend interventions as needed or directed by teachers. • Students must have their camera on for live instruction or as teacher directs it. • Post completed assignments in the HUB to receive credit for the work. • Work independently on assignments or projects, tools such as Imagine Math, Imagine Literacy, Edgenuity, Achieve3000, IXL, etc. • Student please ensure you are dressed appropriately for your live instruction. • If you need technology support, reach out to Mr. Escobar. 	Parent Expectations: <ul style="list-style-type: none"> • Create a quiet working space for your child. • Monitor students time on task and encourage physical activity or exercise. • Connect with your child everyday that works well for your household (morning or evening or both). • Maintain communication with teachers and administration as needed. • Ensure your child meets the attendance requirements and logs in and actively participates daily. 	Teacher Expectations: <ul style="list-style-type: none"> • Post daily greeting and Virtual Post-it. • Take attendance at designated times. • Post lessons and assignments in the HUB daily. • Provide on-camera instruction according to lesson cycle. • Record lessons and upload to the HUB for future asynchronous instruction. • Provide guided and independent instruction. • Check for understanding using best practices.

My student resources are:

	<p>Microsoft Teams</p>	<p>Microsoft Teams will be used as the District’s platform for student communication. By Microsoft Teams, teachers will be able to provide virtual instruction, continued student support, and other communicative needs of students.</p>
 <p style="text-align: center;">THE "HUB"</p>	<p>The HUB</p>	<p>The HUB allows students 24-7 access to instructional material, coursework, and digital textbooks from any device and demonstrates mastery of a subject. Students can submit their assignments and projects, collaborate, and communicate with their classmates, and create blogs, discussion boards, and ePortfolios.</p>
	<p>Clever</p>	<p>Clever is a personalized portal with a single login for all online programs and resources. Students easily log in and immerse themselves in learning.</p>
	<p>Imagine Language and Literacy & Imagine Math</p>	<p>Imagine Language and Literacy is an adaptive digital curriculum and assessment solutions for PreK-8 that delivers unmatched excellence in language development- accelerating learning across subjects for all students.</p>
	<p>Edgenuity</p>	<p>Edgenuity is a suite of courses available for core curriculum, intervention, and test readiness.</p>
	<p>IXL</p>	<p>IXL is personalized learning. With a comprehensive K-12 curriculum, individualized guidance, and real-time analytics, IXL meets the unique needs of each learner.</p>
	<p>Kahoot</p>	<p>Kahoot! is a game-based learning platform, used as educational technology in schools and other educational institutions. Its learning games, "Kahoots", are teacher created multiple-choice quizzes that can be accessed via a web browser or the Kahoot app.</p>
	<p>Quizizz</p>	<p>Quizizz allows you to conduct student-paced formative assessments in a fun and engaging way for students of all ages.</p>
	<p>Pear Deck</p>	<p>Pear Deck slides can be made within PowerPoint Online or Google Slides. Pear Deck makes your slides interactive so every student can respond to your questions or prompts right on their own screens. HISD provides students and teachers access to premium features</p>
	<p>Ontrack</p>	<p>OnTrack stores all assessments tied to Texas learning standards or reading level (e.g., TEKS, Lexiles, and Fountas and Pinnell Guided Reading) are recorded on the district’s assessment platform (OnTrack). HISD Curriculum provides a series of brief, curriculum-based Snapshot assessments and longer district level assessments (DLAs) throughout the school year.</p>
	<p>Parent Connect And Grade Pro (A+) App</p>	<p>HISD Connect Parent Portal is an online service that allows registered users (i.e., parents and students) to log in to access a variety of student information, see class assignments and school calendars, and even communicate electronically with teachers. The Grade Pro (A+) App provides a delightfully quick and easy way to view your grades.</p>
