

How to login to Microsoft Teams

Web version

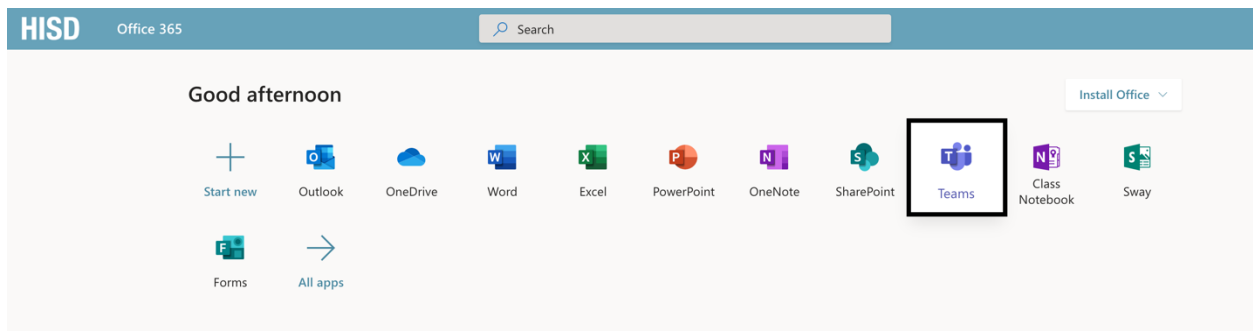

1. Go to your web browser and type the following “office365.houstonisd.org” or copy paste, and press enter.

Then, input your network login username and password and click Sign in

The screenshot shows the HISD Single Sign On Service login page. It features a blue header with the HISD logo and the text "Single Sign On Service". Below the header, there is a section titled "Sign in with your organizational account". This section contains two input fields: the first for the username, which is pre-filled with "p00124806@houstonisd.org", and the second for the password, which is masked with dots. A blue "Sign in" button is positioned below the password field. Underneath the button, there is instructional text: "Enter domain\username and your password to login. (Example: student\jsmith)". At the bottom of the form, there is a note: "For login problems, please contact service desk at 713-892-7378".

2. Click teams and you will be prompted to the Microsoft Teams page.

3. Click on your team “Welch MS Staff”
