

A Message from Mr. Day – July 15, 2020

Travis Families,

Today, July 15, 2020, HISD announced [plans and a timeline for opening the 2020-2021 school year](#).

We are continuing our work to create a unique campus instructional plan that aligns to the newly released district guidelines while supporting our students' needs as well as the mission and initiatives of Travis Elementary.

Once we solidify our campus plans, we will communicate regarding a parent information session for us to share our plan and answer your questions.

Soon I will also be communicating a date for a socially distant walkup and/or drive-thru for all Travis families to pick up:

- An HISD-provided **book packet**
- Any **student personal belongings** that were unclaimed at the end of the school year in May (these items were collected from classrooms and are bagged up)
- A 2019-2020 **Travis Yearbook (for those families that ordered)**
- Graduating 5th Grader **yard signs** displayed during May's 'Walk of Memories'

Stay healthy and I will be in touch soon.

Sincerely,

Tom Day
Principal
