

Parent Info Session re: Online Learning

Dear Travis Families,

Travis will host an Online Learning Parent Information Session on Thursday, July 30, 2020 from 5:00pm-6:00pm via Zoom. The session webinar registration link can be found here: https://bit.ly/Travis_Session_Registration. You will receive an email confirming your registration with access information to the session.

We will preview what learning and programming at Travis will look like in the online setting this fall, provide updates, and answer parent questions.

To make sure we answer all your questions, we have created a Google Form to capture them before the session. Please click here to submit your questions: https://bit.ly/Parent_Questions.

Hope you can join us!

Sincerely,

Tom Day
Principal
