TRAVIS SCOUTS NAMED JUNIOR AIDE AWARD RECIPIENTS

Congratulations to members of 5th grade Junior Girl Scout troops #122285 and #122286 who recently completed their Junior Aide Award. These girls had to plan and lead three meetings each for Daisy and Brownie troops at Travis. Each girl completed at least 10 hours of work and several did more. We are thankful to the leaders of the troops we worked with as well. Receiving the Junior Aide Award are **Sadie Bauman, Eliza Beech, Willie Grace Davis, Sadie Hipps, Grace Lindsay, Abigail Pisklak, Noa Shaw, and Ella Sims.** - **Lauren Lindsay**, Troop Leader

VEGOUT!

VegOut! is a program run by Houston-based Recipe for Success whose mission is to combat childhood obesity by changing the way children understand, appreciate, and eat their food. This simple, but fun program challenges people to eat **30 different veggies within 30 days** during the month of March, and Travis takes this challenge seriously! March came upon us quickly this year after a city-stopping freeze and a week of virtual school, so it's time to get registered and start tracking!

Last year, we had multiple children who each ate over 100 different veggies during the month of March. But truthfully, if this program gets our Travis kids to eat even one new vegetable, we declare that a success! So, visit the VegOut! Website (www.vegoutwithrfs.org), brush off (or download) the VegOut! app, or print out your paper log here: [2021_VegOut.Paperlog.PTA.pdf](#). (*Due to issues with the app in the last few years, it is typically more reliable to track veggies on a paper log, but the app is a great way to

establish camaraderie, and some healthy veggie competition!) If you choose to use the app or website, you will register your child under his/her graduation year (e.g. Travis – Class of 2029). For more information, click here: [2021 VegOut Challenge.pdf](#). -- **Kelley Davidson** and **Veronica Jurado**, PTA Health & Wellness Co-Chairs
