Ms. Perry opened meeting, welcomed committee members, and reviewed meeting guidelines. Minutes from November 27, 2018 were read and approved by Regina Jackson 1st and Mary Hayes 2nd.

A vote was taken to determine agreement on suggested changes in the admission policy (increase matrix score to 85) and math admissions test score as part of the matrix. Members agreed to submitting a proposal to staff and to the Office of school Choice.

Ms. Perry indicated there were discrepancies in the current cheating policy: students received office conduct for classroom related incidents. Students should not receive office conduct for classroom incidents unless there is a pattern of repeated incidents during the school year(s). She requested teams review the current cheating policy and submit comments and suggestions to her.

The meeting ended at 4:40 pm.
