

SDMC Meeting Agenda

June 17, 2019

The meeting convened at 1:00 PM.

School policies were discussed.

Dress Code

Teachers should be reminded to check dress code at the beginning of the day. The following dress code updates were recommended:

*Skirts must be worn with opaque tights or solid leggings, and the hem must touch the front and back of the knee at the same time.

*No jeans except on Fridays.

*Move "no cut-off jeans" and "no jeans" to the pants section of the code.

*Add knee-length shorts

Cell Phones and Electronic Devices

Methods to manage cell phones during class time were discussed. It was suggested to include the term "smart watch" in the policy. It was also determined that cell phones could be used for academic purposes if allowed by the teacher.

Tardy Policy

It was determined that repeated parent notes or consistent, consecutive tardies would be investigated. It was also decided that the permit policy would need to be taught.

Cheating

Homework will remain on the Cheating Policy.

Conclusion

The committee decided that the policy updates would be presented to teachers during the August in-service week.

The meeting adjourned at 4 PM.
