A. Update: Campus Enrollment 2021-2022

- 1. Enrollment**
- 2. Recruitment Plan**
- 3. Afterschool Activities and Needs**
- 4. Virtual Learning**

-Our current enrollment is 534. Our 21-22 projection is 550 students. As stressed last time, We **MUST** meet or exceed the projection.

-We are creating flyers and other advertisements to attract our students back to their neighborhood school. Update: Flyers have been printed and are available for pick up at McCarty Print Services.

Ideas: Apartment /new neighborhood visits

Post flyers at stores and other high population areas

~~Yard signs~~

Offer more afterschool activities to compete with Charters (Music, Sports)

Perhaps including the YMCA to provide services afterschool

As of now, there is no virtual learning. We are planning for all face to face learning.

- No reduction in PUA
- Our funding will depend on our enrollment
- District will provide additional information on budgeting as we get to the end of the year and the Board has approved district budget---- Update: Preliminary budget is set, but we do not have enough funds to hire for proposed position--- Music
