Assignment #2

Due August 27th

- I will be posting this assignment in TEAMS in EARLY June. It will be an online platform where you watch videos and answer questions. It is similar to Edpuzzle and will review everything that we learned this last year so that you are ready to go in the Fall.
- If you need help with completing the assignment, the link is here: <https://drive.google.com/open?id=1lySwx-q4qPR27P4Sz4ZVILcdcRUMysWl> (this pdf is like a mini-textbook to help you understand the content)

Supply List

Due August 27th

- Box of disposable gloves
- Box of tissues
- It is HIGHLY recommended that you have a scientific calculator.
