

Pre-AP English I Summer 2020 Assignment

Hello Students and Welcome to 9th grade English with Mrs. Yeriazarian!

I can't wait to get to know each of you through your summer assignment! Please join my Google Classroom to find the assignment and instructional videos to help guide you through each step. To watch a demonstration video, please visit <https://www.youtube.com/watch?v=VWd0NfbzKJE> or follow the directions below.

1. To go to the Google Classroom, go to www.google.com.
2. Once you are there, please look at the right-hand corner. You should see a grouping of 9 circles. Click these circles to access the Google apps. The Google Classroom should appear. If you can locate the Google Classroom here, skip reading the information in the brackets.

[If Google Classroom does not come up for you when you click the Google apps button, try going to the bottom of the apps listed and clicking more. It may come up then. If it still does not come up, you need to log into Google using your HISD account. To do this, click on the letter next to the Google apps button or click on sign in. Now, use your HISD e-mail address to log in. It should look like S#####@online.houstonisd.org replacing the #s with your HISD student ID number. Now, click the 9 circles or Google apps button again. The Google Classroom should be there. If it still isn't there, make sure that you don't have any other Google windows open- this includes YouTube. Close any open windows that are using Google and try logging in again.]

3. Now that you are in the Google Classroom, you should see a plus sign in the top right- hand corner.
4. Click it the plus sign and click on Join class.
5. Enter the class code: tu6wr76

Welcome to the class!

Have a great day, and please e-mail me at cyerianza@houstonisd.org if you have any questions. I'll be happy to meet with you one-on-one to walk you through the process.

Thanks,

Mrs. Y
