SDMC Minutes

December 8, 2020

The meeting was called to order at 8:45 am.

Members in attendance signed in.

Mrs. Rincon welcomed the committee.

- [HB3 SIP Updates](#) - Mrs. Rincon shared news from her last principal's meeting regarding the HB3 legislative bill passed back in 2019. The Reading Academy is part of the bill focusing on preparing students in third grade to be on grade level for reading and math. Also, Literacy by 3 is part of this initiative. Updates to SIP needs to be made to include the District's HB3 goals for each individual campus, focusing on STAAR for third grade. SIP will be updated and shared on our Jefferson webpage.
 - [Academic Boot Camp](#) – our numbers for November academic boot camp was 78 students. For December, teachers have opted out of boot camp; we will revisit for March. More than likely STAAR will be happening in the spring.
 - [Enrollment 2020-2021](#) – on PEIMS snapshot date our enrollment was 389 students and our projected was 425, with a difference of 36 students. HISD's enrollment is low across the district. This is around \$ 136,000.00 shortfall on our budget. Factoring all this we are about 2.4 teacher positions over.
 - [Title I Funds](#) – Current funding for the year is based on last year economically disadvantage population. We have requested permission from TEA to use Title I funds for the purchase of additional Clevertouch technology for Pre-K, Kinder, and 1st grade and additional laptops for teachers. Also, any additional funds will be used for professional development and after school tutorials. Tutorials for the spring semester will begin first week of February for Pre-K and up to fifth grade. We will offer tutorials for both face-to-face and virtual students Monday thru Thursday. Saturday tutorials will begin Saturday, February 6, 2021 for students from 3rd – 5th grade.
