- Be Engaged
- Offer Feedback
- Tame Your Technology
- Start on Time
- End on Time

Members Present		
1. Haskins, Nicole	4. Williams, Keiosha	
2. Reckley, Tiffany	5.	
3. Bayne, Kimberly	6.	

Topic for Discussion	Minutes
Opening: Welcome and Call to Order	
Student Celebrations	Principal Haskins explained that the goal was to celebrate every single child in some way. All in person SPED students and 8 th Grade science students received a celebration. Student of the Month is a consistent process that is happening and we are excited about it. The week before Spring break. Ms. Bayne and Willrich celebrated 6 th Graders for having the highest attendance at 83%. We are trying to aim for 90% now that we know Ms. Bayne stated that they earned their five stars. The process will now start over again. Ms. Bayne will be continuing student celebrations for Imagine Program. Posters will be coming to campus to motivate 8 th grade to join in more to increase participation.
Staff Celebrations & Teacher Appreciation	8 th grade Reading most growth and 6 th grade Math most growth on DLA. There was a staff celebration lead by Faculty member for teachers who were a part of Spring Break Bootcamp. Project Explore recognized Principal Haskins for their Women's History Month Recognition Moments. We are wanting to continuing the push of celebrations to improve culture. Teacher of the Year (Reckley) and Beginning TOY (M.Thomas) were recently announced. Teacher Appreciation, Nurse Appreciation, Administrative Professionals, and Assistant Principal Days are coming up. Teachers Appreciation Week is May 3-7(Cage lead). Nurse Appreciation is May 6-12 (Holton lead). Administrative Professionals April 21(Haskins+ Parent lead). Assistant Principals Week April 5-9 (Haskins+Parent lead).

<p>Parent Appreciation</p>	<p>Principal Haskins asked what could we do to celebrate parents who have been trying to support the school, even through COVID? Ms. Bayne suggested a popcorn parts-Poppin' Parents celebration where they could drive by and give them popcorn and soda pop gift goodies. Principal Haskins said maybe some type of luncheon. Ms. Reckley said the elective Team suggested to invite them out to the Food Truck Friday event on a 3rd or 4th Friday, give them \$5-10 on us, and create a special table, include poppin' goodies, certificates, and a special table to celebrate them. The anticipated date for this is April 30th. We will follow up with Ms. Willrich to see which truck it is.</p>
<p>SPED Update</p>	<p>Weekly updates provided by Mrs. Williams and compliance check meetings with the Programs Specialist for SPED. IEP and eligibility for campus, goals updated report, progress report tracking, speech impairment tracking, temporary distant learning plans (TDLP), dyslexia status report are discussed. Campus is almost at 100% compliance outside of evaluations, according to Mrs. Williams, since the Spring Break updates. 1st Year Teacher of the Year is on the SpEd Team (M. Thomas). Self-contained start STAAR-Alt testing next week and continue for 6 weeks.</p>
<p>STAAR Plan</p>	<p>Recipient of waiver to have students space out safely. All 629 will not have to be on campus at the same time. Grade levels may be on campus one at a time, while other grades learn virtual asynchronous on those days. April 6-April 9 is 7th Grade Writing STAAR. Awaiting for the daily schedule for that test. Ms. Reckley asked if student would remain on campus for the entire day, or would it be a half day. Students may be allowed to leave once they have completed their test, not definite, but they will receive attendance credit for that day. Campus Plan still being built out. When it is completed, it is definitive and can not be changed. Designated days as assigned will have to be adhered to. We are trying our best to make sure every student is present to be assessed. Campus-wide writing sample being held on March 24th. Attendance will be taken using that data.</p>
<p>EOY</p>	<p>Promotion Retention Meetings will begin soon. Summer School planning and who is interested in leading and teaching. 8th Grade transitioning event- looking for ideas. Possibly virtual or ticketed event. Those conversations will start with the 8th grade teachers about what they would like to do to honor and celebrate the students. Master Scheduling is happening. Supplies needed to end the year, and prep for 21-22 school year, need to be voiced now.</p>
<p>Comments/Questions</p>	<p>We want to enhance communication to SDMC notes will be sent to faculty/staff and also uploaded on website. Principal Haskins would like to have one faculty meeting session before May STAAR. Ms. Reckley asked would we continue teacher of the month and staff attendance for the remainder of the year? Teacher of the Month and</p>

	<p>Perfect attendance will continue for appreciation for April and May. Campus beautification has been funded and paid for, but our plants were killed during the snow storm, so we are trying to work on that now with the vendor. The new electronic marquee is up! We will look to train a student and staff member to lead and help with this. The school has a vacancy for Attendance Clerk, Nurse, and Teacher Assistant. Registrar position was filled.</p>
Adjourn
