Members present on TEAMS: D. Garcia, J. Berry, L. Alaniz, R. Fitzpatrick, J. Vaden, K. Chenevert, W. Stoebner, A. Lekometros

The virtual SDMC meeting started at 3:15 p.m.

The Shared Decision-Making Committee (SDMC) purpose is to serve as an advisory group to the principal. The committee represents all parts of the school community. The committee monitors the implementation of the School Improvement Plan (SIP). Decisions are reached by consensus. Meetings are held four times per year. Minutes posted on the Harvard school website.

On May 3, 2021, we begin the sixth six weeks. We will serve 536 In-Person and 109 remaining virtual students. The instructional program continues as simultaneous instruction. Communication from the teacher remains the same using email, newsletters, and the HUB.

Interim Superintendent Dr. Lathan recommended the following revisions to the proposed 2021-2022 school year budget, which will directly affect school budgets:

- No reduction to the PUA for the 2021-2022 school year.
- Postpone magnet program changes until the 2022-2023 school year.

A submission from Harvard PTA is to utilize the BLOOMZ platform for future school communication. Teachers on the SDMC are asking for clear expectations regarding the features of using this platform. There will be further discussion with the Harvard leadership team and PTA board members.

The virtual SDMC meeting adjourned at 3:45 p.m.
