STATEMENT OF PURPOSE

The Houston Independent School District is committed to working together with parents, students, the community and other stakeholders to improve student academic achievement. The goal of HISD is to ensure that all students graduate from high school ready to succeed in college and/or the career of their choice. The district recognizes that parents play an extremely important role as their child's first teacher and are valued partners in the educational process. As a result, parents will be included in appropriate decision-making opportunities to support student academic achievement. Partnerships with parents and the community are vital.

Therefore, HISD encourages the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities. HISD wants parents to:

- ✓ Stay informed about their child's academic well-being through various forms of communication.*
- ✓ Work in partnership with school staff to help their child to achieve at the highest levels.*
- ✓ Communicate to their child the importance of being prepared for college and a career.*

The HISD curriculum is based on the Texas Essential Knowledge and Skills (TEKS) and includes non-negotiable objectives that must be taught at every grade level. However, individual schools are held accountable for innovative instructional programs and its instructional results. Every HISD student will be provided equal access to rigorous instruction and academic programs.

HISD recognizes that some students may need additional assistance which is available through the Title I, Part A program to obtain high academic achievement.
