Parent and Family Engagement Policy

(Programs and activities may be subject to change from in-person to virtual, due to Covid-19)

Principal: Marques Collins **Asst.Principal:** Sherra Jones

Angela Stephens

Title I Coordinator: Wanda Byrd

1. Facilitate family-to-family support

Create a safe and respectful environment where families can learn from each other as individuals and in groups.

Invite former program participants, including families and community volunteers, to share their education and career experiences with current families; and

Ensure opportunities for continuous participation in events designed for families; and

Ensure opportunities for continuous participation in events for families by families such as training on family leadership

- Parent Teacher Associations (PTA)/Parent Teacher Organizations (PTO)
- Campus Shared Decision-Making Committee (SDMC)
- District Community Meetings
- Title I Campus Meetings
- Volunteer opportunities through VIPS
- District FACE (Family and Community Engagement) Department sponsored activities
- District HIPPO Program
- PK Round-Up activities
- Campus Community Partnerships
- FACE Academic Parent-Teacher Teams

2. Establish a network of community resources

Build strategic partnerships.

Leverage community resources

Establish and maintain partnerships with businesses, faith-based organizations, and community agencies.

Identify support from various agencies, including mental and physical health providers.

Partner with local community-based organizations to create a family-friendly transition plan for students arriving from early childhood settings.

Provide and facilitate referrals to family support or educational groups based on family interests and needs.

Communicate short and long-term goals to all stakeholders; and

Identify partners to provide translators and culturally relevant resources reflective of home language

3. Increase family participation in decision making

Develop and support a family advisory council.

Develop, adopt, and implement identified goals within the annual campus/school improvement plan targeting family engagement.

Develop and support leadership skills for family members and providing opportunities for families to advocate for their children/families.

Collaborate with families to develop strategies to solve problems and serve as problem solvers.

Engage families in shaping program activities and cultivating the expectation that information must flow in both directions to reflect two-way communication.

Develop in collaboration with families, clearly defined goals, outcomes, timelines, and strategies for assessing progress.

Provide each family with an opportunity to review and provide input on program practices, policies, communications, and events to ensure the program is responsive to the needs of families; and

Uses appropriate tools such as surveys or focus groups to gather family feedback on the family engagement plan

- Title I Parent Advisory Committee Meetings and Campus Parent Compact
- Campus Shared Decision-Making Committee (SDMC)
- PTA/PTO Participation
- District Parent Satisfaction Survey
- District Social Media Opportunities
- Campus Events- evaluation for parent feedback

- District Surveys
- School Health Advisory Council

4. Equip families with tools to enhance and extend learning

Design or implementing existing home educational resources to support learning at home, while strengthening the family/school partnership.

Provide families with information and/or training on creating a home learning environment connected to formal learning opportunities.

Equip families with resources and skills to support their children through the transition to school and offering opportunities for families and children to visit the school in advance of the pre-k school year.

Provide complementary home learning activities for families to engage in at home with children through information presented in newsletters, online technology, social media, parent/family-teacher conferences, or other school-or center-related events.

Provide families with information, best practices, and training related to age-appropriate development expectations.

Emphasize benefits of positive family practices such as attachment and nurturing that complement the stages of children's development.

Collaborate with families to appropriately respond to children's behavior in a non-punitive, positive, and supportive way.

Encourage families to reflect on family experiences and practices in helping children; and

Assist families to implement best practices that will help achieve the goals and objectives identified to meet the needs of the child and family
