**Attendance**

Daily Attendance is crucial for students to meet their academic goals. If a student is absent, he/she is responsible for checking their Absent Work folder to see what work has been missed, for getting any necessary worksheets, for copying notes or warm-ups and for making arrangements with me to come in to make up quizzes, tests or anything else they need help with. Students have one class day for every day they are absent to make up work. If they are absent for an extended period of time, special arrangements will be made.

**HISD Policy:**

Regular attendance and punctuality shall be required of every student. Students have the responsibility to take advantage of their educational opportunity by attending all classes daily and on time unless circumstances prevent them from doing so.

**HISD Remote Learning Policy:**

Students who engage in learning activities via the HUB, participate in a Teams meeting with teachers, or submit assignments via the HUB are considered “present” and will not be marked absent. State law TEC §25.092 and Houston Independent School District Policy still require students to attend at least 90% of their classes to receive credit and be promoted. Remote attendance will count in the same manner as on-campus (face-to-face) attendance in satisfying this requirement. Students can engage with their teacher through the following:

- Daily participation in the HUB, the HISD Learning Management System (LMS), completion of independent reading and work assignments, use of assigned digital tools, and/or group interactions.
- Interaction with teacher via Teams as part of live or small group instruction.
- Students assignment submission via the HUB for each scheduled class. When unable to submit via the HUB students can submit assignments via emails, photos, phone conferences or other forms of documentation. **Students who have not logged in by the following time will be marked absent by 10:25 a.m.**

**This absence can be resolved if the student engages in daily learning assigned by their teachers via the HUB by 11:59p.m. that same day.** Parents and students will receive absence notifications via School Messenger after 6:00 p.m. each day and will be reminded of the opportunity to resolve that day’s absence if the student engages in learning before 11:59 p.m. of the same day via the HUB. Any absences recorded but resolved by the student before 11:59 p.m. on the same day will be reconciled based on login records of the HUB. If a student is engaged in remote learning and completes the entire weeks’ worth of learning activities on Monday and does not log in for the remainder of the week, he/she will be marked “present” on Monday **only** and

	counted “absent” for Tuesday-Friday. <b>Students must participate in learning EACH AND EVERY DAY.</b>
