Week of September 7th-11th

What Can We Do To Be Ready for Remote Learning?

1. Create a routine for your child. Have them wake up at the same time every day and get dressed.
2. Develop a schedule/calendar to keep up with assignments.
3. Set Up a quiet workspace or provide your child with headphones so that their environment is free of distractions.
4. Communicate with the teacher often.

Character Trait of the Month *"Responsibility"*

Being responsible means that we do the right thing even when no one is looking. We do the right thing just because it is right not for credit or praise.
