Phase 1 Deadline: Submit applications and to make changes to Phase 1 rankings. All *qualified and qualified pending* Phase 1 applications will be entered in lotteries. To make changes to Phase 1 rankings, either make changes online or complete a new application.

Notification date: On March 31, 2022, before midnight, the official Phase 1 notification of a students’ lottery outcome will be viewable within the online application system’s parent dashboard. An email notification of the Phase 1 lottery outcomes will be sent to the parent’s email address.

In addition, one Pre-K application status letter is sent via U.S. Mail to the parents of all Phase 1 applicants that submitted a paper application. Phase 1 applicants that are offered a seat on March 31, 2022, will need to respond to the offer and make arrangements within two weeks of the notification date to provide documents to the school that has offered seat and schedule a language proficiency exam if qualifying to Pre-K due to language proficiency.

Additionally, please be aware that inclusion in a Pre-K program is contingent upon completion of the campus’s enrollment process, within the timelines established by the campus. Moreover, the PreK enrollment transfer type requires principal approval and that this decision is made at the campus level. Students will remain on the waitlist of all programs which parents ranked higher than the highest program to which a seat is offered.
