SDMC MEETING MINUTES

January 12, 2021

- Check-In
- Remote Learning Update
- 4th Six Weeks Instructional Setting – Parents received an email notification to update/select the status for instructional setting for the upcoming grading cycle and to notify the school via phone or email if they do not have access to make selection online.
- COVID-19 Updates – HISD schools will remain open. The District is continuing to work with the City of Houston Health Department to monitor the positivity rates for COVID-19 in the community and to inform safety procedures and protocols for schools. Effective immediately, the District has cancelled sports, except for varsity sports at the high school level. Some middle school sports will be reevaluated Jan 22nd.
- Budget Reconciliation – The school is funded using a designated per pupil allocation of funds, based on the projected enrollment for the school year. We exceeded our projected enrollment. Therefore, we will receive 100% of our budget based on the projected enrollment and additional funds amounting to 50% of the per pupil allocation for the number of students by which we exceeded our projection.
- January Assessment Schedule – The district level assessment schedule was shared with the committee. We also discussed the upcoming STAAR assessments. Additional information regarding STAAR testing will be communicated to parents to allow ample time to schedule on-site testing and options for families that are not comfortable having students come on campus to test.
- Questions, Comments, Suggestions
- The meeting was adjourned at 4:30 PM.
