Dear Clifton Middle School Family,

I am **Staci Harnsberry Johnson**, and I am Wraparound Resource Specialist on the campus of **Clifton Middle School**. My primary goal is to be a conduit; connecting all students, parents and teachers to non-academic support (resources). In effort to address critical issues such as: mental and physical health needs, food insecurities, lack of stability in the home, violence, incarceration of a parent or guardian, and many other challenges that would impede student achievement.

Let there be no hesitation when in need for I am committed to assist in any way possible; let's be creative. Please feel free to contact me should there be a need for resources and/or assistance.
