Meeting Minutes:

Our SDMC meeting began at 4:15 p.m. on Wednesday, February 19, 2020.

Campus Safety – Discussion was held regarding Campus and Student safety. In January, our Safety and Security committee identified areas at dismissal which need additional supervision. Designated teachers were asked to move to these areas to increase supervision and security. All teachers are reminded to be vigilant while supervising students in the hallways, at restrooms, and during transition.

Budget – Projections for student enrollment for the 2020-2021 school year have increased. Parents are wanting to send their middle school students to our STEM Magnet. Our teacher to student ratio in middle school will be 28:1 with the increase. This will have a positive impact on our school budget. We discussed adding an additional elective for next year.

Academic Growth (Expected 1 year) – During Staff Development last Friday, teachers were reminded to conference with their students and establish goals for each area tested on STAAR. The expectation is one year of growth. We want all students at Meets and Masters levels. We have 27 instructional days remaining until the first STAAR test.

Go TEXAN Day – February 28, 2020, will be the annual event for students, teachers, staff, and parents to wear their Go TEXAN outfits.

Spring Break – March 16-20, 2020

RUSMP – Rice University Summer Math Program will be held on our campus June 8-18, 2020. Dr. Anne encourages all interested teachers to register for this training.
