Old Business:

Minutes from last meeting (05.26.2020) read and approved.

New Business:

- Reviewed SDMC Membership to verify new members. New members were approved. Acknowledged that we need to fill a pre-k and 1st grade position and that we will look for new community members to join
- Reviewed School Improvement Plan (SIP). Data and goals carried over from the 2019-2020, because previous year's goals were not able to be completed due to Covid 19. Discussed professional development being provided for teachers this year included Esperanza. Also shared that Ms. Gardner will no longer be able to support as an hourly science tutor, but there is another new potential candidate. The goal will be to start science lab again once campus returns to face-to-face instruction.
- Reviewed budget. Budget is under Covid 19 restrictions and technology will be the first priority for use of funds. Mr. Mitchell petitioning the district to allow campus to spend more on technology or for district to provide additional devices for students. Mr. Mitchell shared that he will share the budget with Ms. Quioco.
