Good morning. Please be advised that we have received a report of a presumed case of COVID-19.

In alignment with guidance from the Houston Health Department, our school will remain open. Learning is continuing as normal with school dismissing and buses running as scheduled. As a precautionary measure, our campus was deep cleaned and disinfected overnight as outlined in the HISD Communicable Disease Plan. Please note that a presumed case means an individual has one or more COVID-19 symptoms or an individual who lives with someone who is confirmed positive or presumed positive. Should we receive notice that the case has been confirmed positive, we will notify everyone and Nurse Jordan will contact any student or staff member who is believed to have been exposed to COVID-19.

As we continue to navigate this pandemic together, please know that we remain focused on two key priorities – providing our students with a high-quality education and ensuring the safety of both our students and staff. All decisions are made with those two priorities in mind.

We appreciate your continued patience and support. For more information about COVID cases in HISD, visit the COVID-19 Dashboard at HoustonISD.org/COVID19Dashboard.

Sincerely,

A handwritten signature in cursive script that reads 'R. Scott Allen'.
