In alignment with guidance from the Houston Health Department, our school will remain open for in-person instruction tomorrow. However, as a precautionary measure, our campus will be deep cleaned and disinfected tomorrow and overnight Wednesday as outlined in the HISD Communicable Disease Plan.

HISD's Health and Medical Services will work to identify and immediately notify any student or staff member who is believed to have been exposed to COVID-19. If you feel more comfortable with your student participating in virtual instruction tomorrow, please know that that decision is completely acceptable and understood.

As we continue to navigate this pandemic together, please know that we remain focused on two key priorities – providing our students with a high-quality education and ensuring the safety of both our students and staff. All decisions are made with those two priorities in mind.

We appreciate your continued patience and support. Should you have any questions, please contact the school at 713-942-1960. For more information about COVID cases in HISD, visit the COVID-19 Dashboard at HoustonISD.org/COVID19Dashboard.

Sincerely,

A handwritten signature in black ink that reads 'R. Scott Allen'.
