

KASHMERE HIGH SCHOOL
Virtual SDMC Meeting Minutes
November 10, 2020

I. UPDATES OF SCHOOL/SAFETY

Mr. Bush and Mr. Williams discussed the safety protocols for the campus. Campus report on the number of in-person students in every classroom. Team discussed what the transition looked like when students and adults entered the building. Team discussed how the students and adults followed the areas and printed signs to make sure social distancing was the main priority. Campus report on PPE and other precautions the campus was using to ensure health and wellness for everyone. Conclusion, all parents were receiving callouts and constant two-way communication about providing a safe and nurturing environment for their students.

II. VIRTUAL PLANS

Team discussed the face-to-face and virtual plan for teaching and learning. 90% attendance was reported for our scholars being in person and online. Feedback from teachers was included. Teachers, administrators, and support staff were doing callouts for students who were not showing up consistently. Wrap-around specialist was also doing home visits along with administrators.

III. HEALTH AND WELLNESS

Collaboration with the nurse and campus wellness team. The campus is following the lead of our medical experts in our nursing departments. We are continuing to follow the protocol for hand washing, wearing a mask, using sanitizer, and continuing to have the campus wiped down frequently. All door handles, desks, bathrooms, and the entire building are being sanitized. Campus is reinforcing the 6-ft rule and less in-person meetings.
