All statements made in such Application(s) shall, in the absence of fraud, be deemed representations and not warranties. No statement will be used in defense of a claim under this Plan unless:

- a. the statement is in writing signed by the Policyholder or by you; and
- b. a copy of that statement is given to the Policyholder or to you or to your beneficiary.

Contract Changes - No change in this Plan is valid unless approved by our Home Office and unless such approval is endorsed by an officer and attached to this Plan. No agent has the authority to change this Plan or to waive any of its provisions.

Misstatements of Age - If you incorrectly stated your age or the ages of your dependents, if any, in the Application, the benefits will be such as the premium paid would have purchased at the correct age. If, based on the correct ages, we would not have issued your Certificate or insured certain dependents under this Certificate, then our responsibility will be to refund the excess premium paid, if any.

Time Limit on Certain Defenses - After this Plan has been in force for two years as respects an employee, only fraudulent misstatements in the application of that employee may be used to void his or her coverage or to deny any claim for loss incurred or disability that starts after the two-year period.

Clerical Error- Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of such clerical error, a premium adjustment will be made.

Individual Certificate - Continental American will give the Policyholder a Certificate for each employee. The Certificate will set forth:

1. the coverage;
2. to whom benefits will be paid; and
3. the rights and privileges under the Plan.

Data Required - The Policyholder will furnish all information and proofs which Continental American may reasonably require with regard to the Plan.

Conformity with State Statutes - Any provision of this Plan which, on the Effective Date, is in conflict with the laws of the state in which the Plan was issued, will be amended to conform to the minimum requirements of those laws.

Continuation of Coverage Endorsement

This Endorsement is part of the Policy and Certificate to which it is attached. This Endorsement is subject to all the definitions, terms, and other provisions of the Policy and Certificate to which it is attached, unless those terms are inconsistent with this Endorsement.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Endorsement becomes effective when the Certificate becomes effective. If issued after the Certificate, this Endorsement will have a later Effective Date.

The following provisions are added after the Continuation Privilege provision in your Certificate:

CONTINUATION OF COVERAGE

If the Group Policy is terminated by the Policyholder and is not replaced with another group policy you may apply to continue the coverage you had on the Group Policy termination date. This includes any in-force Spouse or Dependent Child coverage. The Group Policy will be continued as if the Group Policy is in force for those who have applied to continue their coverage under this provision. The members will continue to have coverage, with their Certificates remaining in force.

The Company will apply the same benefits and plan provisions as shown in your Certificate on the date you are eligible to continue coverage under this provision. Your continued coverage is subject to all of the provisions, exclusions and limitations of the Group Policy.

To keep your Certificate in force, you must:

- Apply to the Company in writing under this Continuation of Coverage provision within 31 days after the date your Certificate would terminate, **and**
- Pay the required premium no later than 31 days after the date the Certificate would terminate and on each premium due date thereafter to the Company at our Customer Service Center in Columbus, Georgia.

PREMIUMS

Initial premium rates will be based on the rates in effect at the time you apply to continue your coverage. Premium rates can be changed by the Company at any time upon 60 days written notice to you. Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's coverage, if any.

TERMINATION

Your continued coverage, including any in-force Spouse or Dependent Child coverage, will end:

- 31 days after the date you fail to pay any required premium.
- When coverage is terminated by the Company. We will provide you a 31-day advance written notice of any termination.
- On the date you die (unless your Spouse elects to become the Primary Insured under the Successor Insured provision, if applicable).

Once continued coverage is cancelled it cannot be reinstated. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

CONTRACT

This Endorsement is part of the Certificate. It will terminate when:

- The Certificate terminates.

Children Definition Rider

This rider is a part of the document to which it is attached. Unless amended by this rider Policy, Certificate and Dependent Rider Definitions, Exclusions and Limitations, other term and provisions apply to this rider.

The definition of Children is deleted and replaced by the following:

Children means your natural children, step-children, foster children, adopted children or children placed for adoption, who are under age 26.

Children also include grandchildren, who are (1) unmarried; (2) under age 26; and (3) if they are the employee's dependents for federal income tax purposes, or (4) if the employee must provide medical support under an order issued under Chapter 154, Family Code, or enforceable by a court in this state.

Your natural Children born after the Effective Date of this Rider will be covered from the moment of birth. An adopted child of an insured may be enrolled, the date the insured becomes a party to a suit in which the insured seeks to adopt the child or the date the adoption becomes final, at the insured's option. If Employee or Employee/Spouse coverage is in force and an employee desires uninterrupted coverage for a newborn or adopted child, he must notify us within 31 days of the child's birth or the date the insured becomes a party to a suit in which the insured seeks to adopt the child or the date the adoption becomes final. Coverage for newborn or adopted children will be in effect through the 31st day following the date of such event. Upon notification, we will advise him of the additional premium due.

If your children are covered under this Rider, it is not necessary for an employee to notify us of the birth of a child or the date the insured becomes a party to a suit in which the insured seeks to adopt the child or the date the adoption becomes final, and an additional premium payment will not be required.

Coverage on a Child(ren) will terminate on the child's 26th birthday. However, if any child is incapable of self-sustaining employment due to mental retardation or physical handicap and is dependent on his parent(s) for support, the above age of twenty-six (26) shall not apply. Proof of such incapacity and dependency must be furnished to the Company within thirty-one (31) days following such 26th birthday.

This rider is subject to all of the terms of the document to which it is attached unless any such terms are inconsistent with the terms of this Rider.

Waiver of Premium Rider To Certificate of Insurance for Group Accidental Injury Policy

This Rider is part of the Certificate to which it is attached. We have issued this Rider because:

- We have accepted your Application, and
- You have paid the additional premium for this Rider.

This Rider is subject to all the definitions, exclusions, limitations, terms, and other provisions of the Certificate to which it is attached, unless those terms are inconsistent with this Rider.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Rider becomes effective when the Certificate becomes effective. If issued after the Certificate, this Rider will have a later Effective Date.

DEFINITIONS

When the terms below are used in this Rider, the following definitions apply (other applicable terms and definitions are included in the **Definitions** section of your Certificate):

Total Disability or Totally Disabled means that due to an Accidental Injury the Insured is:

- Not able to perform the substantial and material duties of his occupation, and
- Receiving a Doctor's care that is appropriate for the condition causing the disability, and
- Unable to Work.

Unable to Work means either:

- You are unable to work at the occupation you were performing when your Total Disability began, which was during the first 365 days of Total Disability; or
- You are unable to work at any gainful occupation for which you are suited by education, training, or experience after the first 365 days of Total Disability.

WAIVER OF PREMIUM BENEFIT

Injuries may result in more than 90 days of Total Disability for an Insured. If the Insured is disabled for 90 days, the Company will waive the premium payments for this coverage for up to 12 months of Total Disability. At the end of the premium waiver period, the Insured must resume paying premiums to keep this coverage in force. Premiums waived will include those for in-force Dependents and Riders.

For premiums to be waived, the Insured must provide satisfactory proof of Total Disability.

Premium will continue to be waived until the earliest of the following:

- The date the Company has waived premiums for a total of 24 months of Total Disability,
- The date you refuse to provide proof of continuing Total Disability,
- The date your Total Disability ends, or
- The date coverage ends according to the Termination provisions in **Section I** of your Certificate.

If you are still eligible for coverage when you return to Active Work, coverage for any Insured may be continued if premium payments are resumed.

GENERAL PROVISIONS

Time Limit on Certain Defenses

After two years from the Insured's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Application. This does not apply to fraudulent misstatements.

CONTRACT

This Rider is part of the Group Accidental Injury Certificate. It will terminate when:

- The Certificate terminates, or
- Premiums are no longer paid for this Rider.
