

Sharpstown International

School-Parent Compact

Title 1, Part A

2020/2021

The programs of Sharpstown International School 6-12 are designed to develop each student's full potential for academic growth, emotional well being, health and physical wellness. Recognizing this cannot be accomplished in isolation, the home and school must work as partners to help students become effective citizens in the global society in which we live. As we transition to virtual learning, school faculty and parents will work together to ensure every student has all the necessary resources to be academically successful whether learning virtually or face to face.

Students will:

- Log onto class on time everyday and be prepared to work.
- Demonstrate their best effort in their class assignments and projects.
- Complete homework in a timely manner and do it to the best of their ability.
- Respect the diversity, personal space, and property of others.
- Respect and cooperate with all adults in the school.
- Spend time at home daily studying or reading.
- Make good choices.

Parents will:

- Support their students learning by ensuring students log onto classes every day on time.
- Talk to their students about school and homework assignments daily.
- Communicate with teachers about any issues students are having with technology or learning virtually .
- Attend parent conferences, student activities, and request classroom observations.
- Ask questions of and make suggestions to the school faculty and staff.
- Volunteer to be a part of the school community through PTO and/or student activities.

School faculty and staff will:

- Provide a safe environment conducive for learning online and face to face.
- Provide high-quality, rigorous academic curriculum and instruction to help students reach their full potential online and face to face.
- Provide highly qualified teachers who are well prepared and equipped with strategies that will make learning interesting and even fun virtually and face to face!
- Provide frequent progress reports about students' academic progress to parents.
- Provide parents notices in a language that parents can understand.
