

The Road to College Session 1 – Questions and Answers

- I was wondering about National Honor Society for the Junior class. Normally they would have been nominated this year, but I am guessing COVID didn't allow this to happen. Will this happen before next year so the students can add this to their resumes?
 - Invitations to apply to NHS are being sent to Juniors this week
- Where are the videos of testimonials for AP courses?
 - On the HSPVA.org website, we have added course selection information and resources. On the PDF called course offerings 2021-2022, there are teacher videos and student testimonials about our AP course offerings.
<https://www.houstonisd.org/Page/188131>
- When are we going to receive the waiver option to opt in for elective waiver for the second semester. I don't remember receiving it for the first semester.
 - Ms. Hines will be sending out an email with a link to sign up for Elective Waivers. This was also sent out within the first 9-weeks last fall.
- Will AP Music Theory be offered? I know it was this past year. Many of my peers and I are interested in taking it.
 - At this point all current courses are listed as being offered on the 2021-2022 course offerings page. The courses may change as we prepare for next year.
