1. PTO Report

Carnival April 3, 2022

2. PRINCIPAL'S REPORT/AP REPORT

Staffing Model-HISD is in the process of formulating a staffing model for next school year. Each campus will be given a final model from central office.

More information should be coming soon. Everything is changing on a daily as of now.

The HISD board should be voting soon on the proposed budget. I believe April 7th; more information should come out.

All enrichment will stay as it is, based on this model, however additional enrichment teachers will not be funded.

HISD will give us a full-time librarian or media specialist.

It looks as if we will only have 3 admin (1 TS, 1 AP and Principal) with the funding provided by district.

If any changes to this occur, Vanessa will keep us updated.

3. Safety Report/Evan

We completed our March drills.

Need to complete a weather drill in April.

4. SDMC Members/Discussion

No new business.
