HISD's Back to School Guide and Ready, Set, Go!

The Back to School Plan for Transportation Services is resuming standard bus service at full capacity for the 2021-2022 school year. HISD bus riders will begin receiving their route and stop information via recorded phone messages this week. The information will also be available online at HoustonISD.org/Transportation. Parents can click on the Find the “My Route” button and enter their address to get their route and stop information.
