CYBER SAFETY BEGINS WITH YOU

This month, we would like to discuss Cyber Safety and your student. Knowing how and how often your student uses their devices (handheld and otherwise) is a key to ensuring their safety and the safety of others. Houston ISD outlines how you can keep your student safe on the HISD Cyber Safety website found [here](#). Topics range from Cyber Bullying to Copyrights and Plagiarism.

Being diligent and randomly checking your student's online behavior can decrease if not eliminate unwanted or misguided behavior. When was the last time you checked to see how your student uses their devices and/or cellphone?

WHAT'S HAPPENING IN OUR CLASSROOMS?

Navigate through the tabs at the bottom of the page to view different subject areas. If you have questions about a particular assignment, please contact the teacher.
