

## SDMC MEETING MINUTES

**April 20, 2022**

I-ready program was discussed. Features for the program were reviewed in detail to help support instruction. Teachers will be trained the 2022-2023 school year on how to use all features of the program.

Protocols for arrival, lunch, and dismissal for this school year will revert back to it's original protocols for the new school year.

Soccer, robotics, dance, and drama will continue to be extracurricular activities for the upcoming school year. Adding; music, cheer, art, gardening.

Charter schools are recruiting students from the area. Strategies to recruit:

- Parent satisfaction surveys
- Visits in the community with flyers
- Visiting students going to charter schools

Progress of SIP was discussed.
