

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that helps parents, students, teachers, and other stakeholders work together to see our students succeed. This compact provides annual strategies to help connect learning at home and school.

- Focuses on enhancing student learning
- Creates partnerships among parents and teachers to ensure students are meeting annual goals
- Describes opportunities for parents to observe, volunteer, and participate in the classroom.

### Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Through our “Panda Title 1 Committee”, we can meet, discuss, analyze, revise, and finalize the compact annually based on the school’s academic achievement goals and students’ needs.

## Teachers, Parents, Students Together For Success

### Student Goals 2021-2022

**Students join with faculty, staff, and parents in creating goals for themselves for the school year. To encourage academic growth, we suggest students:**

1. Ask for help when they need to.
2. Routinely check PowerSchool Connect every evening to track grades and attendance in each subject.
3. Be at school and in class on time.
4. Actively participate in class and complete assignments in a timely manner.
5. Have a positive attitude about learning.

### Parent Goals 2021-2022

**Parents and Guardians are vital for student success at our school. You have a significant impact on the way students view learning and their attendance. To continue to encourage the success of our students, Pershing Panda Parents commit to:**

1. Helping students stay organized and successful by routinely checking and monitoring Parent Student Connect for grades and missing assignments.
2. Help students navigate through social media with monitoring apps and "tech tame" times.
3. Have open lines of communication with your scholars, teachers, counselors, an administration.
4. Talk with your child daily about school.
