SCHOOL-PARENT COMPACT

The School-Parent Compact for Achievement provides annual strategies to help connect learning at home and school. The compact focuses on enhancing student learning, creates partnerships to ensure student success and describes opportunities for parents to observe, volunteer and participate in the classroom.

PANDA TITLE 1 COMMITTEE

Parents, students, and staff worked together and shared ideas to develop the school-parent compact. Through the committee, we are able to meet, discuss, and revise the compact annually based on the school's academic achievement goals and students' needs.

STUDENT GOALS

Students join with faculty and parents to create goals for themselves. Goals include: Attending tutorials, monitoring grades in PowerSchool, asking for help, be on time, and having a positive attitude.

PARENT GOALS

As a vital part of student success, Parents and Guardians commit to helping students stay organized, help students navigate social media, and have open lines of communication with students and school.

Pershing Middle School will provide:

HIGH QUALITY INSTRUCTION

Provide high-quality instruction in a supportive and effective learning environment that enables the students to meet the State's student academic achievement standards as follows:

- One-to-one access to technology with access to HISD curriculum on Canvas.
- Implementation of multiple-response strategies to engage students in lessons.
- Teachers will analyze NWEA MAP data in Professional Learning Communities to drive instruction and focus on areas of improvement.

PARENT- TEACHER CONFERENCES

Parent Teacher conferences are held weekly as needed during teachers' conference/planning time.

PROGRESS REPORTS

Parents will have access to students' grades through PowerSchool and will receive report cards on the district-mandated dates: October 6, November 17, January 12, March 8, April 26, and June 5.

FACULTY AND STAFF CONTACT

Staff will be available twice a week during their specific conference time to speak with parents.

VOLUNTEER OPPORTUNITIES

We have an open-door policy that allows parents to visit classrooms on request and an active PTO with volunteer opportunities.
