SIP Formative Review covered with DLA data and other areas of our campus goals also updates to leadership moves to help support campus growth.

Final budget left us in a deficit so spending will be limited to needs over wants. ESSER funds are plenty to cover tutorials and Wraparound for more Saturday Community Walks.

Revisited classroom expectations for second semester and checklist that will be used to ensure non-negotiables are clear.

Transitions/Threshold not optional, Safety top priority and all staff actively monitoring at all duty posts. Golfcart was stolen so we will walk to Foodtown. Also, how to address parents who want to pick up down there and student behavior.
