

GABRIELA MISTRAL CENTER FOR EARLY CHILDHOOD

School-Parent-Student Compact for Achievement 2021-2022

What is a School-Parent-Student Compact?

A School-Parent-Student Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards. Mistral teachers, students, and parents developed this Compact for Achievement. Meetings are held each year to review the Compact and make changes based on student needs. Parents are welcome to contribute comments at any time!

Mission

Our mission at Gabriela Mistral Center for Early Childhood (CEC) is to nurture every child's social, emotional, and intellectual development.

School Goals

This year the Gabriela Mistral Center for Early Childhood (CEC) will work on continuing to increase the number of students who meet or exceed state standards in all academic areas through increased concentration in a variety of literacy strategies across the curriculum. We will also focus on enhanced social and emotional skills as part of student success and to address the whole child.

At Home

Parents and guardians are vital to the success of our students and our school! Parents have a significant impact on the way students view their learning process, attendance, and motivation. Parents need to continue to encourage the success of all students.
