- Title I Schoolwide Elements 32
  - ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA) 33
    - 1.1: Comprehensive Needs Assessment 33
  - ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP) 33
    - 2.1: Campus Improvement Plan developed with appropriate stakeholders 33
    - 2.2: Regular monitoring and revision 33
    - 2.3: Available to parents and community in an understandable format and language 33
    - 2.4: Opportunities for all children to meet State standards 33
    - 2.5: Increased learning time and well-rounded education 34
    - 2.6: Address needs of all students, particularly at-risk 34
  - ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE) 34
    - 3.1: Develop and distribute Parent and Family Engagement Policy 34
    - 3.2: Offer flexible number of parent involvement meetings 35
- Title I Personnel 35
Comprehensive Needs Assessment

Revised/Approved: August 30, 2021

Demographics

Demographics Summary

J.R Reynolds is a small neighborhood school located in the Sunnyside area of Houston, Texas. It is a part of the Worthing High School feeder pattern. Our final enrollment for the 2020 – 2021 school year was 384. 62% of students received in person instruction and 38% were virtual. Our learning community is represented by the following: 88% African American, 10% Hispanic, 1% Asian, and 1% other. Our student populations include 95% Economically Disadvantaged, 3% English Language Learners, 2% Gifted and Talented, 8% Special Education, and 74% At-risk.

Demographics Strengths

J.R. Reynolds is a hidden gem nestled in the Sunnyside community. One of our greatest strengths is we adhere to Maslow’s Hierarchy and place huge emphasis on meeting our scholar’s basic needs. We foster a “Chick Fil A” experience at Reynolds where taking care of our scholars socially, emotionally, and academically is our pleasure and our utmost priority.

Additionally, the resiliency and relentlessness of the staff and students is another strength of Reynolds. I am most proud of the work that was exerted during the 2019-2020 school year, my 2nd year as principal. The leaders, staff, and students were intentional about our instructional practices and maximized every second of the day while delving into the work. We set forth a goal, devised a realistic plan based on our historical data, then executed. Campus and district preliminary data showed we were on track to attain a B rating.

Lastly, I am proud of my Reynolds family and how we supported each other, our students and families during a pandemic. During a period when we could have easily broken and threw in the towel, we banded together and gave 100% daily.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: STAAR Reading (grades 3-5) showed a decrease from 56% (2019) to 29% (2021) at Approaches, 22% (2019) to 5% (2021) at Meets and 11% (2019) to 2% (2021) at masters. Root Cause: The root cause was the ineffectiveness of hybrid and concurrent teaching and learning. Students that were virtual did not participate in the learning, but showed up to test. Students that were in person, did not attend school regularly.

Problem of Practice 2: STAAR Math (grades 3-5) showed a decrease from 60% (2019) to 21% (2021) at Approaches, 27% (2019) to 7% (2021) at Meets and 13% (2019) to 2% (2021) at masters. Root Cause: The root cause was the ineffectiveness of hybrid and concurrent teaching and learning. Students that were virtual did not participate in the
learning, but showed up to test. Students that were in person, did not attend school regularly.
Student Learning

Student Learning Summary

Based on 2020-2021 data and BOY 2021-2022 data, our scholars have academic gaps and regressions. We noticed that many of our 1st-3rd graders are struggling with basic phonemic awareness, phonic skills and computation. In reality, majority of scholars missed out on 1.5 years of instruction, so teachers have to slow down to catch up. Students are receiving intervention daily to close gaps, so the first instruction doesn't go over their heads or frustrate them.

Problems of Practice Identifying Student Learning Needs

Problems of Practice 1: Based on our 2021 EOY Ren 360 literacy data, at least 60% of scholars are not on or above grade level in 2nd-5th grade. Root Cause: Students did not engage in best literacy routines and teachers struggled with hybrid model.

Problems of Practice 2: Based on our 2021 EOY Ren 360 math data, at least 60% of scholars are not on or above grade level in 2nd-5th grade. Root Cause: Students did not engage in best math routines and teachers struggled with hybrid model.
Priority Problems of Practice
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements
- Covid-19 Factors and/or waivers

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
  - Domain 1 - Student Achievement
  - Domain Progress Domain
  - Domain 2 - Student Progress
- Closing the Gaps Domain
  - Domain 3 - Closing the Gaps
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Targeted support Identification data
- Accountability Distinction Designations
- Federal Report Card Data

**Student Data: Assessments**
- State and federally required assessment information
- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- (STAAR) current and longitudinal results, including all versions
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Prekindergarten Self-Assessment Tool
- Texas approved PreK - 2nd grade assessment data
• Texas approved Prekindergarten and Kindergarten assessment data
• Other PreK - 2nd grade assessment data
• State-developed online interim assessments
• Grades that measure student performance based on the TEKS

**Student Data: Student Groups**

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and progress
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and progress
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

**Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

**Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

**Parent/Community Data**

225 Reynolds Elementary School
Generated by Plan4Learning.com
• Parent surveys and/or other feedback
• Parent engagement rate
• Community surveys and/or other feedback

Support Systems and Other Data

• Organizational structure data
• Processes and procedures for teaching and learning, including program implementation
• Communications data
• Capacity and resources data
• Budgets/entitlements and expenditures data
• Study of best practices
Board Goals

Board Goal 1: ELAR  The percentage of 3rd grade students performing at students reading and writing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in Spring 2024.

Goal 1: The percentage of students performing at the Approaches Level in grades 3-5 will increase from 56% to 80%, Meets from 22% to 40%, and Masters from 11% to 30% as measured by the 2022 STAAR Reading Assessment.

Strategic Priorities: Expanding Educational Opportunities

Summative Evaluation: Some progress made toward meeting Goal

<table>

Strategy 1: Implement effective, data-driven daily Guided Reading small groups in Pre-Kindergarten-2nd grade and reading intervention small groups in 3rd-5th grade, along with TEKS-based spiral-review Daily 5 workstations. Utilize tutors and ancillary teachers to provide additional intervention time for students currently reading below level.

Strategy's Expected Result/Impact: 90% of students will show growth in their reading levels between the BOY and MOY assessments.

Staff Responsible for Monitoring: Administrators, DDIS, Classroom Teachers

Action Steps: Assess sufficient supplies and staffing for guided reading and reading interventions; Schedule, plan, and present campus and district PD for teachers during preservice, during PLCs, and throughout the year on Guided Reading, Interventions, and Workstations; Communicate look-fors for small groups with teachers and leadership team; Plan calibrated walks; Train teachers on how to administer Running Records; Assist teachers with analyzing BRR data and forming flexible groups; Plan with teachers during Open Labs, Coaching Sessions, and PLCs; Engage in ongoing coaching cycle with teachers.

Title I Schoolwide Elements: 2.4, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Targeted Support Strategy

**Strategy 1:** Increase teacher capacity to provide daily effective and targeted Tier I and small group instruction in High Frequency Words through coaching, modeling, and training.

**Strategy's Expected Result/Impact:** Teachers will be better able to deliver targeted, high-quality HFW instruction, resulting in an increased number of students passing the first administration of the HFWE.

**Staff Responsible for Monitoring:** Administration, Classroom Teachers

**Action Steps:** Conduct campus needs assessment; create centralized space for HFW teacher resources; collaborate with academic celebration committee to plan student incentives; communicate methods of practicing HFWs with parents and provide them with basic materials; conduct teacher observations during word study and intervention blocks; provide continuous coaching, modeling, and planning support to teachers; schedule campus/district PD surrounding HFW instruction; conduct data dives and HFW at-bats with peer/specialist feedback during PLCs; utilize outside tutors to provide HFW support to students; use volunteers to create HFW data tracking folders for teachers and students

**Title I Schoolwide Elements:** 2.4, 2.6 - **TEA Priorities:** Build a foundation of reading and math, Improve low-performing schools - **Targeted Support Strategy**
Board Goal 2: MATH The percentage of 3rd grade students performing at or above grade level in math as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 46% in spring 2019 to 54% in Spring 2024.

Goal 1: The percentage of students performing at the Approaches level in grades 3-5 will increase from 60% to 80%, Meets from 27% to 40%, and Masters from 13% to 20% as measured by the 2022 STAAR Math Assessment.

</tbody>
</table>

**Strategy 1:** Provide individual/group (daily) morning SEL sessions on social skills and character building and provide alternative behavior interventions and implement PBIS incentives to encourage good behaviors

**Strategy's Expected Result/Impact:** When implementing both SEL and PBIS in and out of the classroom, the students will receive the necessary social and emotional tools to increase self-awareness, academic achievement, and display positive behaviors in and out of the classroom. Students will be equipped to face complex situations and manage their emotions in a positive manner.

**Staff Responsible for Monitoring:** Principal  
Teacher Specialist  
Counselor  
Classroom Teachers  
Teacher Assistants  
HISD SEL Specialist

**Action Steps:**  
1. The school faculty and staff will utilize a variety of PBIS resources and activities in an effort to set behavior expectations, positive rewards, and clear consequences.  
2. Counseling referral forms will be accessible to staff, parent and students on the counselor website.  
3. Counselor will conduct individual or group counseling with parent permission.
Board Goal 5: N/A - Additional Campus Goals

Goal 3: VIOLENCE PREVENTION

Strategic Priorities: Ensuring Student Health, Safety and Well-Being

<tr>
<td><strong>Evaluation Data Sources:</strong> The number of incident and HISD police reports collected and reported to district personnel.</td>
<td>Nov</td>
</tr>
</tbody>
</table>

Strategy 1: Update and implement a coordinated plan with leadership team on procedures of visitors before, during and after school. Share plan with staff by September 2021.

**Strategy's Expected Result/Impact:** The faculty and staff have a clear understanding of campus expectations and safety protocols as it relates outside guests visiting the campus and applying their knowledge to real-life situations.

**Staff Responsible for Monitoring:** Office Staff
Leadership Team (Principal, Teacher Specialists, Counselor)

**Action Steps:**
1. Leadership Team and Office Staff review and update the Faculty and Staff Safety Handbook
2. Office Staff will post all safety posters and signs throughout the campus
3. All campus visitors will be directed to the main office to sign-in and receive a visitor's badge
4. All faculty and staff are required to wear their employee badge

Strategy 2: Continually communicate safety procedures/drills with staff and students and utilizing several methods of communication with staff for emergencies purposes.

**Strategy's Expected Result/Impact:** The faculty and staff and students have a clear understanding of the campus expectations and safety protocol and applying their knowledge in real-life situations.

**Staff Responsible for Monitoring:** Principal
Teacher Specialists
Counselor
Classroom Teachers
Custodial Staff
Office Staff

**Action Steps:**
1. Teachers routinely teach and practice emergency and safety drills and Safety Reference Guide will be stationed in all classrooms and offices
2. HISD Emergency
3. Mandated monthly procedure drills will be conducted
4. Safety team communicates pertinent information via two-way radio
5. Faculty and Staff will communicate all pertinent information via Group Me during emergency "lockdowns".
Measurable Objective 2: Decrease the number of bullying incidents to 0% by the end of 2021-2022 school year.

**Evaluation Data Sources:** The number of bullying incidents collected and reported to school personnel by students, families, and staff.

### Strategy 1:
Provide individual/group (daily) and morning SEL sessions on bullying and character building while utilizing various resources such as Leader in Me, Character Counts, Sanford and Harmony and StopBullying.org.

**Strategy's Expected Result/Impact:**
Students will be educated with the necessary tools to recognize and be aware of bullying incidents, skills in prevention of bullying, utilizing appropriate interventions and reporting incidents of bullying.

**Staff Responsible for Monitoring:** Counselor
Classroom teachers

**Action Steps:**
1. The counselor will utilize a variety of anti-bullying resources and activities in an effort to promote anti-bullying awareness
2. Bullying reporting forms will be accessible to students to report bullying
3. Counselor will conduct individual or group counseling with parent permission
4. Counselor will complete proper documentation for bullying incidents that involves his or her child
5. Parent will be contacted and notified on bullying incidents
Board Goal 5: N/A - Additional Campus Goals

Goal 4: SPECIAL EDUCATION

Strategic Priorities: Transforming Academic Outreach

Board Goal 5: N/A - Additional Campus Goals

Goal 8: COORDINATED HEALTH PROGRAM (ES, MS and K-8 Campuses)
The campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

Strategic Priorities: Ensuring Student Health, Safety and Well-Being
Board Goal 5: N/A - Additional Campus Goals

Goal 9: OTHER UNMET (If applicable)
Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by campus administration.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways: Campus Improvement Plan was shared with stakeholders during an SDMC meeting. Stakeholder input was added to the plan.

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes: regular administrative instructional walk-throughs/observations with coaching and feedback, weekly PLCs with classroom teachers addressing Tier I instruction and RTI, monthly data-dives with classroom teachers, weekly lesson plan feedback provided by administrators.

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations:

Campus website, front office, Title I bin

The SIP was made available to parents by:

Link provided via Class Dojo and during parent meetings, print copy available by request

We provide the SIP to parents in the following languages:

- English
- Spanish

2.4: Opportunities for all children to meet State standards
Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- Dedicated interventions blocks outside of core-content blocks embedded in the master schedule
- School-wide focus on checking for understanding and differentiation (professional development, observations, coaching/feedback)
- In-school tutoring provided by consultants and volunteers
- After school and weekend tutorials provided by classroom teachers

**2.5: Increased learning time and well-rounded education**

Ways that we increase learning time and a well-rounded education for our students include:

- Dedicated interventions blocks outside of core-content blocks embedded in the master schedule
- In-school tutoring provided by consultants and volunteers
- After school and weekend tutorials provided by classroom teachers
- Campus-wide focus on maximizing instructional time
- Field lessons

**2.6: Address needs of all students, particularly at-risk**

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas:
- Proficient Tier 1 explicit instruction taking place in all content areas:
- Bi-weekly AT BATs:
- Small Group Instruction based on student data needs:

**ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

**3.1: Develop and distribute Parent and Family Engagement Policy**

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- Parent - Tyisha McCray
- Parent - Carnesha Franklin
The PFE was distributed

- On the campus website
- On Class Dojo

The languages in which the PFE was distributed include

- English

Four strategies to increase Parent and Family Engagement include:

- Incentives for 100% parent enrollment on Class Dojo
- Multiple parent meeting dates and times scheduled
- Scheduled parent engagement nights such as math night/reading night
- Outreach by WrapAround Specialist

3.2: Offer flexible number of parent involvement meetings

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1 - 9/15/21 8:00 am
- Meeting #1 Alternate - 9/15/21 4:00 pm
- Meeting #2 - 10/13/21 8:00 am
- Meeting #2 Alternate - 10/13/21 4:00 pm
- Meeting #3 - 1/19/21 8:00 am
- Meeting #3 Alternate - 1/19/21 4:00 pm
- Meeting #4 - 4/6/21 8:00 am
- Meeting #4 Alternate - 4/6/21 4:00 pm
# Title I Personnel
