School- Parent Compact

For

Achievement

2023-2024

What is the School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- *Link to goals of the school improvement plan*
- *Focus on student learning skills*
- *Describe how teachers will help students develop skills using high-quality curriculum and instruction*
- *Share strategies parents can use at home*
- *Explain how teachers and parents will communicate about student progress*
- *Describe opportunities for parents to volunteer, observe and participate in the classroom.*

Jointly Developed

The parents, students, and staff of Red Elementary School meet throughout the year to discuss student learning needs based on current grade-level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals.
