

SDMC – Rucker Elementary

May 16, 2022

Scribe, Sara Cronin

Attendees: Eileen Puente, Maria Reyes, Renita Searcy, Vanessa Trejo, ShaQuita Watson, Sylvia Bradshaw, Brittany Corprew (Guest), Kasee Brown

Celebration & Shout Outs – Congratulations to Ms. Trejo for being Teacher of the Year. Reiterate Rucker's Appreciation for the TPC Group One Day event. The drainage is much better on the basketball court.

STAAR has been completed! Great turnout with our staff. Everyone who could be in attendance was and that was very helpful! Preliminary results may be in the next couple of weeks. When we took the mock STAAR, the projection for STAAR was a B. Fingers crossed! PTO was outside encouraging and motivating students in the morning.

Budget/Staffing.

- **Enrollment/Projections**, 358. Loosing students here and there for different reasons. Enrollment projection for next year is 373.
- **Mktg/Recruitment - Signs had to be removed**, b/c they were illegal per the City of Houston and Rucker would be fined for every sign. COH did remove many of them, but there was some enrollment as a result of the signs.
- **STAAR** – 100% participation
- **We want to finish strong, so we are encouraging and motivating with prizes, themes, etc.** Make it fun for the students so they keep coming.
- **Staffing/Positions** – staff members informed that will be impacted by the removal of split positions.

Accountability

- Working on the end of year testing.

Curriculum & Staff Development

- Getting feedback on what worked/what didn't
- We will discuss vertical alignment
- Reminder about RISE, Transformation Schools Cohort 2022-23

School Events

- Coffee with Principal, Friday
- Students will be showcased in Feast of Arts on 5/21
- Book Fair – help to fundraise for the school and encourage reading with / amongst the kids
- Summer School 2022

Safety & Security reminding people about student supervision, review the CHAMPS expectation and refresh on the Rucker Acrostic. We want end of school to be enjoyable and fun. We want all kids to participate and have fun, going into summer with positive experiences and relationships.

Don't forget about Lockdown & Fire Drill Procedures.

There will be an end of year survey on food and celebrations. Be watching for that.

Field Day – looking to have about 30 stations. Students need to wear comfortable activity wear. Students have been playing the games for a month, so they will know how to play the game.

If we are going to have parents interacting with kids, they must go through VIPS.

A letter will go home to all parents to ensure students are in appropriate attire and prepared for heat and sun. Students are coming out during their enrichment block. But if teachers can bring them outside to eat lunch if they choose. Ms. Valdez has already been informed. Will cancel PLC so teachers can participate. Parents can sell treats and kids can bring money for treats.

Questions/Concerns.

Someone brought up showing a movie. **Movie?** A letter to parents letting them know why it is PG-13. Check with HISD to confirm rights to movie (To be able to show it.)

Need grass cut in advance of field day.
