**Members in attendance: K. Chov, K. Morton, Ms. Crawford, A. Villarreal, M. Guebara; O. Ojeda; L. Barroso; E. Mulkins, A. Castro,**

Meeting was called to order by Ms. Castro at 3:31 via TEAMS and in person. Sign in and agenda was passed out.

- First item on agenda was grade level concerns;
- 5<sup>th</sup> grade brought up when would report cards be printed, Ms. Castro will ask Ms. Garza about that and bring response. However, they are available to be viewed online. (Update, reports were printed Thursday Jan. 27, 2022.
- Bathrooms and the problem of writing, students congregating.. suggestions were given as to how best addressed to make sure all grade levels, teachers are responsible for keeping bathrooms clean. Also, Ms. Castro suggested that maybe a staff member will need to start doing duty in the mornings to supervise students are not going in unsupervised.
- 5<sup>th</sup> grade also wanted to replicate what 4<sup>th</sup> grade is doing which is doing flipgrid, and practicing with headphones. ( Will check to make sure we have enough headphones and get back with 4<sup>th</sup> and 5<sup>th</sup>.
- 4<sup>th</sup> grade asked about status of color printers., Ms. Castro responded that they have been ordered, a PO issued and Ms. Ramirez is in contact with vendor about shipment. They are in route.
- Mardi Gras incentives the status? These are being planned for. As well as for other grade levels. Your department chair has to contact the admin team lead to coordinate the purchase of your grade level. She will give you info.
- 3<sup>rd</sup> Grade also had the same question.
- 3<sup>rd</sup> also asked about can the math schedule now be revised during day... Ms. Castro responded,, as long as literacy is being monitored and is NOT regressing.
- 2<sup>nd</sup> grade asked where is their TA for pullouts. Ms. Castro responded that TA should be having teacher to sign the logs weekly about what students they have pulled out. Administration is asking TA for logs... so that we can see if schedule is being followed.
- 1<sup>st</sup> grade had the same concern

- Kindergarten asked about the transition of new teacher coming into Kinder, Ms. Castro responded that the new teacher will need time to meet students, see schedule being implemented, visit other classes. So Ms. Neihouse will be in there another week.
- Ancillary reports that PE coaches want everyone to know that Heart activity begins in February.
- A question was asked Was there a Thinking Maps sign in? Ms. Castro took the recording and members that attended and addressed payroll in that manner.
- Another question was on ESL stipend. Yes there will be one, certification tests have had to be taken. And PD also had to be recorded before stipend is issued. So Ms. Castro encouraged everyone to do this early.
- ESSER funds were addressed, clubs and enrichment like our gardening Club, our Soccer Club are eligible for pay.
- Ms. Castro reminded everyone to stay abreast of the new teacher evaluation system.
- The upper grades will need help with tutorials as semester rolls out and we need everyone 's help, we will put sign up sheets.
- And to also give input on the 2022-23 Academic Calendar,,, A or B.

Also, Ms. Castro reminded group that our February calendar will be very busy, take note.
