Really Great Reading: The committee discussed that Ms. Thompson has distributed the Teacher's Guides, Student Workbooks, and Student Kits to all teacher's classrooms. RGR can be accessed on CLEVER for students and teachers. Teachers will need to complete the Implementation Training. Anyone with questions may contact Ms. Thompson.

STAAR Testing: The committee discussed that STAAR testing will be held on May 10, 2022, for Math; May 11, 2022, for Reading; May 12, 2022, for 5th Grade Science, and May 13, 2022, for all make-up testing. Ms. Charles also informed the committee that this will be the last year for paper-based testing.

HB4545: Mrs. Curtis discussed with the committee that Ms. Charles wanted to revisit the W.I.N. time. All students in 4th and 5th grade are required to have 60 minutes of intervention. It is imperative that teachers ensure the W.I.N. time of 7:30-8:30 is being used towards that intervention.

CANVAS: The committee discussed that Ms. Dobbins explained that the district will be removing the HUB Learning Management System and replacing it with CANVAS. The district is offering a five-parts learning training for the new system. The training may be access through One Source. It is currently being held on Tuesdays and Thursdays.

Barbara Bush Book Distribution: Mrs. Curtis discussed with the committee that on March 24, 2022, the Barbara Bush Houston Literacy Foundation along with the Houston Astros Foundation and Reliant will be on campus to distribute books to all the students from 7:30-10:00 am for their 'My Home Library.' Classrooms in 1st through 3rd grade students will also have a read-aloud from one of the volunteers.

Computers: The committee discussed that Mr. Curry was concerned with procuring bulbs for the Smartboards in the classroom. Mrs. Curtis is looking into getting bulbs ordered for the campus. Mr. Curry also addressed that the school does not have any replacement computers. He is seeing decals, missing keys, and broken screens on computers that the students are using. Teachers are asked to be mindful of how the students are treating the devices. Mrs. Franklin is requesting laptops for the kindergarten students versus iPad to ensure a better performance and more compatible resources on the HUB.

Campus Issues/Concerns: The committee opened the floor for any issues or concerns at this time. Mrs. Finley addressed that the "Uniform Policy" will be 100% compliancy. Any student not in uniform will be sent to the front office. She also discussed with the committee the importance of supervising all students especially during transitions in the hallway (i.e., restroom, lunch, ancillary, or dismissal). Mrs. Curtis discussed with the committee the importance of staff being on time for work. Any tardiness creates a delay in learning for our students. Staff is reminded to be compliant with their scheduled time to report to duty.

Questions/Answers: Mrs. Curtis opened the floor for any questions from the committee.

Closing: The SDMC meeting concluded at 3:50 p.m.
