MISSION STATEMENT

De Zavala Elementary School provides a challenging learning environment and encourages high expectations for success. We seek the development of appropriate and rigorous instruction that is differentiated to meet all our students' needs. Our school promotes the development of a well-rounded student through a rigorous academic curriculum and opportunities to learn and enhance new skills in our after-school clubs. We proudly foster high parent, teacher, and community member involvement in the goal to create life-long learning members of society.

VISION STATEMENT

De Zavala Elementary encourages and aims in providing equitable opportunities and equal access to an effective and individualized education in a safe and caring environment. We believe in addressing the "whole child" and that all children can and will learn if given the proper resources. Our students will develop the foundation of becoming critical thinkers and problem solvers; they will know and understand how to be successful in a global society.

Safety and Security: Lockdown procedures were discussed and upcoming fire drill. The safety and security of all staff members is top priority and due to the gates not working properly they will be locked using a chain. Teachers and staff wishing to leave during their duty-free lunch will have to open and close (lock) the gate. All building doors must remain locked at all times. The door in building B has been fixed. Report any suspicious activity to the office and remain vigilant.

Budget: Discussion of new budget model. Student enrollment projections for next year are low, estimated 430. Some teachers will have to be reassigned grade levels. Desktop computers have been ordered to replace the ones that are not working. Tutorials will be offered to first and second grade.

One Community, One Mission: Student Excellence.
