Perry, Agnes E

Uhm?

00:14:22.820 --> 00:14:51.690

Perry, Agnes E

What I'd like to do is, uh, if if you don't mind looking at the SDMC committee members and if your email or anything is incorrect. If you could send me an email sometime in the next day or two so I could correct it. If it's a telephone number or an email address, please let me know. If you want to add another email address so I know that Mrs. Ake here is your sbcglobal, but I did change it to your PTO is it? Was that OK?

00:14:54.020 --> 00:15:00.090

Nichole Ake, Pto President

Yeah that's fine. Presidents fine.

00:15:00.710 --> 00:15:08.040

Perry, Agnes E

OK, alright, but it was listed here is your personal email but and we can have more than one it doesn't matter.

00:15:09.260 --> 00:15:11.280

00:15:12.350 --> 00:15:14.200

Andrea Simon

00:15:14.320 --> 00:15:28.290

Perry, Agnes E

OK, so I'm assignment it has fundraiser. Is that an OK email what I sent you was an email, your personal email so it doesn't matter if you want both or if you want the fundraiser email just send me an email and let me know OK?

00:15:28.900 --> 00:15:30.730

Andrea Simon

OK, I'll let you know, thank you.

00:15:31.380 --> 00:15:31.810

Perry, Agnes E

Alright.

00:15:32.900 --> 00:15:33.800

Perry, Agnes E

OK, so.

00:15:34.010 --> 00:15:50.510

Perry, Agnes E

As a reminder, the guidelines for the meetings we want any agenda items provided the day before, so there would always be on Monday. We want to start on time. We want to limit our comments to one minute, respect others and keep the meeting time to no more than one hour.

00:15:51.160 --> 00:15:59.150

Perry, Agnes E

Uhm, the minutes were sent, or if you have any, anyone have any comments regarding the Minutes from April 20th and it corrections?

00:16:00.590 --> 00:16:03.090

Perry, Agnes E

Durations adjustments.

00:16:09.310 --> 00:16:12.960

Perry, Agnes E

Alright, I need someone to move that we accept the Minutes as printed.

00:16:15.340 --> 00:16:17.240

Andrea Simon

I move that we accept the Minutes as printed.

00:16:18.090 --> 00:16:20.240

Perry, Agnes E

OK, thank you. Can I have a second?

00:16:21.960 --> 00:16:22.830

Varghese, Rohini R

I 2nd.

00:16:23.340 --> 00:16:24.080

Perry, Agnes E

Thank you.

00:16:25.060 --> 00:16:55.060

Perry, Agnes E

Alright, so what we're going to do next is discuss a couple of issues. The main purpose of this meeting is to discuss the School Improvement Plan. Dean Shargey worked very hard on it with the information received from all the departments that we began that process during the week of professional development. There is a new format or template that they provided HISD, but I think based on conversation with Dean Shargey and it was still.

00:16:55.100 --> 00:17:25.350

Perry, Agnes E

Lot of work. It was a lot of information that they wanted and I think that our school makes an effort to include all of our staff and in providing input. So then Dean Shargey's job is to try to compile it and narrow it down where it's readable material. But as I said, I think it's still over 60 pages because of all the areas that they want us to cover all the goals, the district goals and then our school goes. So it is a lot. But if you have a chance.

00:17:25.990 --> 00:17:36.290

Perry, Agnes E

If you haven't had a chance to look at it, please review it or anyone who has looked at it, do you have any questions for Dean Shargey or suggestions?

00:17:44.670 --> 00:17:48.860

Perry, Agnes E

OK, do you have any other thing to say, Dean Shargey, regarding this typing?

00:17:49.840 --> 00:18:09.250

Shargey, Bernice A

Well, the only thing I would say is that take a look at it. If you have any questions, let me know. If something comes up or if you have any revisions, just jot them down, send them to me and I will be happy to look at it. I know it's a lot, but really it's the same.

00:18:10.410 --> 00:18:31.560

Shargey, Bernice A

It's the same content. Let me put it another way. The format is different. You know they placed it in a program, but other than that it's the same thing. The differences we had it in XL and that's what the district used this year. They purchased this online service called

00:18:32.650 --> 00:18:43.820

Shargey, Bernice A

Plan for learning and it tries to normalize or regulate so that everyone is responding to the same thing in the same format, but.

00:18:44.650 --> 00:18:46.000

Shargey, Bernice A

In my opinion.

00:18:46.910 --> 00:18:53.490

Shargey, Bernice A

You know they did, UM, kind of delimit it for us a little better.

00:18:54.490 --> 00:18:55.650

Shargey, Bernice A

But we're still.

00:18:55.700 --> 00:19:00.370

Shargey, Bernice A

So providing our own responses to our own goals.

00:19:01.090 --> 00:19:01.660

Shargey, Bernice A

Uhm?

00:19:02.310 --> 00:19:32.480

Shargey, Bernice A

The district gives US 5. The first four are standard, but we're also told that because the district's goal, for example, the first one for is ELA that's written for 3rd grade. Obviously, we're high school, so we don't have a third grade, so they're saying, well, you write an object of a goal with objectives and strategies for the high school audience, so we always have STAAR and AP.

00:19:33.060 --> 00:19:35.130

Shargey, Bernice A

Uh and PSAT etc.

00:19:35.860 --> 00:19:49.290

Shargey, Bernice A

So in effect, all of the goals become campus goals because we're high school, so we do not. We're not responding to a third grade concern.

00:19:50.110 --> 00:19:54.100

Shargey, Bernice A

If that makes any sense. But anyway, um, so.

00:19:55.320 --> 00:20:00.590

Shargey, Bernice A

If you have any questions, let me know if you have corrections or revisions or something.

00:20:01.150 --> 00:20:17.350

Shargey, Bernice A

Uh, you can send it to me in the document, or you can just type up your questions, concerns or revisions and send them to me and I will be happy to clarify or make some corrections. OK let's oh Rohini, yes, as far G go ahead.

00:20:13.070 --> 00:20:15.820

Perry, Agnes E

I think Mr. Gates, yeah.

00:20:17.660 --> 00:20:33.820

Varghese, Rohini R

Yeah, I was just going say I was wondering about that because I didn't read the entire document, but I read all the ELA stuff of course and just look at the light. I kept noticing it said 3 to 8. So, I was wondering OK, but it's still our goals for high school. Even though it says three to eight. OK thank you.

00:20:23.380 --> 00:20:23.840

Shargey, Bernice A

Yes.

00:20:26.950 --> 00:20:27.370

Shargey, Bernice A

Yes.

00:20:33.410 --> 00:20:35.530

Shargey, Bernice A

That's correct yes, yes.

00:20:34.690 --> 00:20:34.890

Varghese, Rohini R

OK.

00:20:36.960 --> 00:20:37.370

Perry, Agnes E

Uh-huh

00:20:37.920 --> 00:20:43.190

Shargey, Bernice A

And the same for math, you know it's basic math that's written, but we were told.

00:20:38.130 --> 00:20:38.510

Perry, Agnes E

any.

00:20:44.190 --> 00:21:03.550

Shargey, Bernice A

The campus will formulate their own map objectives which we do, and we have done for many years, so ours obviously is going to be star, which is algebra one, and then we look at our PSAT, S80 and AP and we look at our math.

00:21:04.630 --> 00:21:11.510

Shargey, Bernice A

Uh, scores for AP Calculus AB and AP Calculus BC and stats.

00:21:13.670 --> 00:21:14.010

Perry, Agnes E

K.

00:21:15.330 --> 00:21:25.490

Perry, Agnes E

So if you haven't had a chance to look at it and you do, and you don't have a chance this week if you could, you can still give Dean Shargey any suggestions or comments or questions.

00:21:25.970 --> 00:21:31.260

Perry, Agnes E

We've submitted it, but it's, uh, it's available for revisions.

00:21:33.030 --> 00:21:59.280

Perry, Agnes E

Yeah, yeah, so it's. It's not that it's locked and can't be changed. We can make some adjustments. Well we will have to do if there's aren't any major changes. We do need to have signatures of one or two of the SDMC members and we have to submit that saying that the SDMC has reviewed the this. They call it a CI P, but it's mostly ask school or.

00:21:33.300 --> 00:21:33.630

Shargey, Bernice A

Yeah.

00:21:42.960 --> 00:21:43.890

Shargey, Bernice A

Oh, definitely.

00:22:00.160 --> 00:22:17.980

Perry, Agnes E

Why do they call it campus? So same difference, right? So? But they changed this year. So are we just need to have confirmation that they SDMC has looked over it? We will also post it for staff you know to look at it also, but I wanted you all to get a look at it first and yeah.

00:22:00.620 --> 00:22:03.010

Shargey, Bernice A

Campus, it's campus improvement.

00:22:04.140 --> 00:22:04.490

Shargey, Bernice A

Yeah.

00:22:16.710 --> 00:22:23.250

Shargey, Bernice A

Yes, the other thing this period do want to say that for the PTO.

00:22:23.310 --> 00:22:40.330

Shargey, Bernice A

Show up with a mistake. UM and the other members that was provided for them as well. You know I gave them the one sheet are which is the reflection page and I really would like to include that as well so that.

00:22:40.970 --> 00:22:57.730

Shargey, Bernice A

Uh, the parents voice is heard many times the school we formulate, what? It is the objectives that we are concerned about and that's good, but I really wanted to. There's a section there where.

00:22:57.970 --> 00:22:59.970

Shargey, Bernice A

Uhm where we?

00:23:00.970 --> 00:23:12.260

Shargey, Bernice A

I I'm holding it to provide the response from the parents and the other members of our committee. If anyone has to doctor Modena. If you have anything that you would like to add.

00:23:13.470 --> 00:23:15.400

Shargey, Bernice A

That's what it's about. It's supposed to be.

00:23:15.450 --> 00:23:24.990

Shargey, Bernice A

He the entire stakeholders, reviewing the document, giving feedback or providing their own thoughts as far as.

00:23:27.410 --> 00:23:57.640

Shargey, Bernice A

Reflection on last year and then formulating are the school improvement provement plan is establishing what goals were going to work on this year and what you would hope to see at the end of the year. What are your outcomes that you're looking for so parents are going to have a different perspective 'cause you're looking at at with your parent glasses and with your children in mind, so yours is going to be similar but different and.

00:23:57.740 --> 00:23:59.910

Shargey, Bernice A

I would just like to get a different perspective so.

00:24:01.130 --> 00:24:13.790

Perry, Agnes E

So mistake if you guys are meeting to diet or this week could you provide something for a Dean shargey? If you have any, if any of your parents would like to make some comments suggestions?

00:24:14.270 --> 00:24:23.290

Perry, Agnes E

Our fill out whatever parts of the reflection sheet that you able to and give it again shargey and she couldn't in you know what he's saying.

00:24:24.370 --> 00:24:28.550

Perry, Agnes E

Merging merge the comments into the document.

00:24:25.680 --> 00:24:26.250

Shargey, Bernice A

Yes.

00:24:27.640 --> 00:24:28.010

Shargey, Bernice A

Right?

00:24:29.610 --> 00:24:31.510

Nichole Ake, Pto President

OK, I'll bring it up at tonight's meeting.

00:24:29.720 --> 00:24:30.230

Shargey, Bernice A

And then.

00:24:32.040 --> 00:24:46.780

Shargey, Bernice A

OK, great and then thank you a mistake. The last thing is in addition, when we had the PTO meeting, I also provided the document, the Compaq and the.

00:24:32.050 --> 00:24:32.480

Perry, Agnes E

OK.

00:24:48.260 --> 00:24:50.390

Shargey, Bernice A

Parent and family involvement.

00:24:51.060 --> 00:24:56.610

Shargey, Bernice A

Uh, agreement. So if you would take a look at that and there again.

00:24:57.230 --> 00:25:03.040

Shargey, Bernice A

The this year more than ever, the SIP has been.

00:25:04.990 --> 00:25:06.220

Shargey, Bernice A

No, let me say it the other way.

00:25:06.870 --> 00:25:14.150

Shargey, Bernice A

The Title 1 document, the school, the school Compact and the parent involvement have been.

00:25:14.570 --> 00:25:23.350

Shargey, Bernice A

Uh, fused or merged significantly in the way that this document is reflected. So if you have an opportunity to.

00:25:25.070 --> 00:25:36.110

Shargey, Bernice A

To respond to that, I will make a note and make corrections or additions and all comments or reflections are welcome.

00:25:37.230 --> 00:25:37.670

Shargey, Bernice A

Thank you.

00:25:39.330 --> 00:25:44.220

Perry, Agnes E

Are there any other comments questions regarding the School improvement plan?

00:25:42.180 --> 00:25:42.970

Magana, Derdim

I yeah.

00:25:44.740 --> 00:25:57.090

Magana, Derdim

This is miss began. Yeah, I just I just wanted to ask when I'm reading over this. It's de Bakey High School and then Debakey High School for health professions. Souls names are just used interchangeably. I mean that's.

00:25:44.910 --> 00:25:45.220

Perry, Agnes E

Well.

00:25:46.280 --> 00:25:47.010

Perry, Agnes E

Uh-huh yeah.

00:25:57.060 --> 00:26:16.170

Perry, Agnes E

Yeah, usually when we're talking about if we say Debakey High School for health professions, but when HISD is it, sometimes it's just Debakey. And sometimes it's Debakey high school. So usually there's a tendency for now we could go in and make those corrections but for consistency but.

00:26:07.400 --> 00:26:07.890

Magana, Derdim

OK.

00:26:17.380 --> 00:26:21.370

Perry, Agnes E

Uh, I notice that HISD doesn't use awful title.

00:26:22.230 --> 00:26:35.390

Perry, Agnes E

Are we've gotten away before? We would do Michael E. Debakey High School for health professions and then sometime will right DHSHP and it's time this Debakey it's it usually depends on the document.

00:26:31.440 --> 00:26:31.890

Shargey, Bernice A

Right?

00:26:36.960 --> 00:26:42.180

Perry, Agnes E

But I know that HISD doesn't usually move. Views are complete.

00:26:42.930 --> 00:26:43.540

Perry, Agnes E

Title

00:26:45.170 --> 00:26:51.880

Perry, Agnes E

and and usually it's out of convenience, right? So Dean Shargey, I don't know if in the document we've done, we've done both.

00:26:52.450 --> 00:26:53.030

Perry, Agnes E

I don't know.

00:26:52.900 --> 00:27:07.550

Shargey, Bernice A

Yes, in some instances it it well, you know the the introductory page, you know we start off with The Who we are, but then it also has the excuse me the initials that DHSHP.

00:27:08.950 --> 00:27:16.170

Shargey, Bernice A

And sometimes I do reference Debakey High school, but the entire document is us so.

00:27:16.930 --> 00:27:20.290

Shargey, Bernice A

If you would like for me to change it to all, be.

00:27:21.590 --> 00:27:27.940

Shargey, Bernice A

The same can certainly do that as well. Just gets a little boring with saying DHSHP all the time.

00:27:29.400 --> 00:27:29.740

Shargey, Bernice A

But

00:27:30.900 --> 00:27:31.500

Shargey, Bernice A

it's up to you.

00:27:33.350 --> 00:27:58.720

Perry, Agnes E

So I think this is suggestion. Maybe, and maybe it's also the beginning. The introduction are. That's a document we've used over and over again. We've just updated with dates and years, but that's a consistent part of the School Improvement Plan or the campus improvement plan. 'cause that does not change the history of our school and the focus in the vision and the mission, rather.

00:27:40.120 --> 00:27:41.480

Shargey, Bernice A

Right, that's what I said.

00:27:59.650 --> 00:27:59.950

Perry, Agnes E

K.

00:28:00.820 --> 00:28:16.940

Perry, Agnes E

So I guess I'm for consistency and maybe there's something would think about when we do the next one also and I don't know if it was sometimes when the teacher sent information that they use different acronyms for it. For Debakey, I'm not sure how it happened, but you know, just something where I guess we have to note.

00:28:18.630 --> 00:28:21.780

Perry, Agnes E

OK, any other comments? Thank you Miss Magana.

00:28:22.630 --> 00:28:23.190

Perry, Agnes E

For Brian, yeah.

00:28:25.100 --> 00:28:25.630

Perry, Agnes E

Never.

00:28:26.490 --> 00:28:37.080

Perry, Agnes E

OK, well I think what we need to do does everybody would. Do you think we can agree to accept the School improvement plan and it's?

00:28:37.290 --> 00:28:43.960

Perry, Agnes E

Uh, you know, with possible correction, but on the basis of the school improvement plan.

00:28:45.030 --> 00:28:48.120

Perry, Agnes E

Uh, it is OK with possible adjustments.

00:28:49.280 --> 00:28:50.210

Perry, Agnes E

In the next week.

00:28:51.040 --> 00:28:53.210

Perry, Agnes E

OK, so, uh.

00:28:54.630 --> 00:29:01.080

Perry, Agnes E

Anybody would it? Let's go, let's do it this way everybody that agrees to accept SIP.

00:29:02.040 --> 00:29:03.620

Stigant, David P

Then we have a motion in a second.

00:29:04.290 --> 00:29:04.760

Perry, Agnes E

K.

00:29:10.040 --> 00:29:10.450

Perry, Agnes E

Listen.

00:29:16.410 --> 00:29:16.720

Perry, Agnes E

Right?

00:29:24.220 --> 00:29:26.160

Perry, Agnes E

Is there a motion? I'm sorry I missed it.

00:29:26.580 --> 00:29:28.940

Stigant, David P

Yeah, my motion to accept the SIP.

00:29:29.480 --> 00:29:31.340

Perry, Agnes E

OK, it's alright, thank you.

00:29:32.080 --> 00:29:32.890

Perry, Agnes E

Is there a second?

00:29:39.380 --> 00:29:44.900

Nichole Ake, Pto President

I will second it noting that the PTO may have something.

00:29:46.230 --> 00:29:48.280

Nichole Ake, Pto President

And this evening.

00:29:48.570 --> 00:29:50.240

Nichole Ake, Pto President

Single by choice.

00:29:50.290 --> 00:29:51.800

Nichole Ake, Pto President

I've got a spare.

00:29:52.460 --> 00:29:56.090

Perry, Agnes E

OK, thank you and it will be available on you know.

00:29:56.950 --> 00:30:06.930

Perry, Agnes E

For additional, I think maybe more with a few adjustments. I think the document itself is OK, it just some adjustments will be possible.

00:30:07.970 --> 00:30:09.630

Perry, Agnes E

OK alright well thank you.

00:30:12.020 --> 00:30:14.480

Perry, Agnes E

The next item is current enrollment.

00:30:15.620 --> 00:30:34.520

Perry, Agnes E

We originally HISD we had project or enrollment back in March or April of what we assumed that our Rover would be this school year, and that's how they based the budget. The money that they would provide us for the school year. They had recommended that we come.

00:30:35.330 --> 00:30:43.080

Perry, Agnes E

Project 955 and I thought too many too much. We don't want our school to be that large.

00:30:43.130 --> 00:31:10.040

Perry, Agnes E

Right, uh, but we didn't know because of all the kids are on virtual. Most of the kids were virtual. We didn't know what the grades were going to look like. We didn't know who are going to have to make some adjustments and grading. We I know I'm R wave the final exam for most of the kids. If they maintain AB average and their attendance. Uh, I think it helped some students, but it didn't help all students.

00:31:11.320 --> 00:31:20.810

Perry, Agnes E

We gave students an opportunity to make classes up this summer and then we, you know, we weren't sure. We thought we could have as many as 980 kids return.

00:31:21.410 --> 00:31:28.140

Perry, Agnes E

Uh, when we started school in August, the first week I think we had 904.

00:31:28.890 --> 00:31:35.260

Perry, Agnes E

Uhm, they had asked us to Project 955. I projected 915.

00:31:35.990 --> 00:31:44.790

Perry, Agnes E

Because I thought that was much more reasonable and it was closer to the number that I thought would be comfortable for Debakey High School. I never wanted it to be more than 900.

00:31:45.890 --> 00:31:50.680

Perry, Agnes E

Unfortunately, as of today, we're at 898.

00:31:52.180 --> 00:32:21.470

Perry, Agnes E

So we're under enrollment. What does that mean? Not sure. Usually when you're under enrollment they will take some of the money from you in January. Many schools have not all under enrollment, so that conversation is come up to 8 through HISD, or, if HISD is under in, you know their enrollment is down and I'll many schools or under enrollment, how would that impact our budget?

00:32:21.980 --> 00:32:54.320

Perry, Agnes E

And they said that it wouldn't, but we don't know it could. It could change. I think the other advantage that we have is that there has been money given to the state and to local enter districts federal funds because of COVID. So, what we found lately is that most of the funds in HISD have already been pre-designated. We don't have that. For example, I received information that DeBakey was going to get \$62,000 just for the library.

00:32:54.840 --> 00:33:03.890

Perry, Agnes E

Well, I found out that the library services HISD library services will be purchasing all the books. They're not allowing us.

00:33:04.740 --> 00:33:26.820

Perry, Agnes E

To they're not putting the money into our budget for us to buy the books, they're telling our librarian send us the list and will buy the books for you. But one of the things is that he can only buy hardbacks or Mr. Caby had already made a list of about \$15,000 worth of books that he wanted to buy, and those some of those books included paperbacks.

00:33:27.460 --> 00:33:29.280

Perry, Agnes E

But that under this.

00:33:30.260 --> 00:33:31.280

Perry, Agnes E

ESSER funds.

00:33:31.970 --> 00:33:34.290

Perry, Agnes E

They're not paying for paperbacks, so.

00:33:35.280 --> 00:33:36.820

Perry, Agnes E

First of all, I don't know why.

00:33:36.880 --> 00:33:42.680

Perry, Agnes E

It seems like they're centralizing the money, although they're saying it's for us.

00:33:43.340 --> 00:33:43.980

Perry, Agnes E

They're.

00:33:45.710 --> 00:33:47.930

Perry, Agnes E

Determining or controlling.

00:33:49.110 --> 00:33:50.840

Perry, Agnes E

How the money is being used.

00:33:51.580 --> 00:33:55.340

Perry, Agnes E

So that's a discussion or fight that I guess I'm going to have to.

00:33:56.130 --> 00:33:57.560

Perry, Agnes E

A good start.

00:33:58.500 --> 00:34:05.740

Perry, Agnes E

The other thing is that on the budget they allocated \$570 for tutoring.

00:34:06.820 --> 00:34:09.500

Perry, Agnes E

\$570 wouldn't pay for.

00:34:10.250 --> 00:34:11.930

Perry, Agnes E

Maybe five teachers?

00:34:14.000 --> 00:34:24.680

Perry, Agnes E

Two times you know they teach did an hour, so I don't know what that \$570 is for who I can pay unless I just buy supplies.

00:34:25.880 --> 00:34:42.940

Perry, Agnes E

The other thing is that maybe because we're Title 1 school they are assuming that we do not need more money for tutoring because we have Title 1. So, I'm not quite sure whether rationale is all this money that they're saying we have.

00:34:43.550 --> 00:34:45.830

Perry, Agnes E

But at this point.

00:34:46.950 --> 00:34:51.540

Perry, Agnes E

I don't know how I'm gonna get it. You know, it seems like they're making it very difficult.

00:34:52.260 --> 00:34:55.030

Perry, Agnes E

And I think they want to centralize the funds.

00:34:56.170 --> 00:35:14.940

Perry, Agnes E

You're not gonna understand away because they wanna make sure that it's used wisely, but at the same time there are some schools have done well with money and we have specific things that we want to do with our school. That other schools have. Another school may have different priorities, but that's like I said, another battle.

00:35:15.770 --> 00:35:18.650

Perry, Agnes E

So I know that we're going to have extra funds for the next three years.

00:35:19.400 --> 00:35:39.450

Perry, Agnes E

I don't know if they're going to take funds from us in January because we didn't reach the projected

enrollment, so I'm just letting you guys know in advance when now 17 kids under what we should have had. And I'm so glad I said 915 instead of 955 as they had suggested.

00:35:40.190 --> 00:35:41.840

Perry, Agnes E

So that's what I needed.

00:35:43.270 --> 00:35:46.500

Perry, Agnes E

Summary Regarding enrollment for this school year.

00:35:47.620 --> 00:35:50.240

Perry, Agnes E

OK, any comments or questions about a moment?

00:35:52.140 --> 00:35:58.490

Perry, Agnes E

How does it impact us if they take our money that could effect staffing?

00:35:59.200 --> 00:36:03.720

Perry, Agnes E

It depends on how much money is in and you don't have to let someone go next year, not this year.

00:36:07.550 --> 00:36:08.160

Perry, Agnes E

Cheaper.

00:36:13.780 --> 00:36:18.350

Perry, Agnes E

Any questions regarding the moment OK?

00:36:21.270 --> 00:36:34.910

Perry, Agnes E

OK, so the only other thing I wanted to comment. We did have a meeting in July regarding the 50th anniversary celebration. There was so much going on in in August and September I had to. I put off the next.

00:36:36.170 --> 00:36:38.990

Perry, Agnes E

A meeting date? Uh, it will be in October.

00:36:40.210 --> 00:36:51.360

Perry, Agnes E

And I don't I. I will send that invitation out. I think I sent a note saying the date had to be changed, but I'm asking everyone to save the date that's are the week of October 24th through the 29th.

00:36:51.960 --> 00:37:16.930

Perry, Agnes E

Of 2022, that's the projected week or days that we will celebrate the 50th anniversary. Of course, we

have not made any plans. We will. I think some of us were doing some research, but we're going to come back in in October and have a meeting to see. You know, we could finalize some plans and some strategies for either raising money or.

00:37:17.340 --> 00:37:17.780

Perry, Agnes E

Ah.

00:37:18.950 --> 00:37:22.650

Perry, Agnes E

Deciding on how you know exactly what we're gonna do.

00:37:23.520 --> 00:37:28.170

Perry, Agnes E

So every once in invited, or if you're not able to come to the meeting, place in ideas.

00:37:29.580 --> 00:37:30.110

Perry, Agnes E

K.

00:37:30.800 --> 00:37:33.940

Perry, Agnes E

Any comments about 50th anniversary? Any questions?

00:37:37.750 --> 00:37:38.140

Perry, Agnes E

K.

00:37:39.330 --> 00:37:45.960

Perry, Agnes E

Well, that's all I have. If you have any issues that you would like to discuss.

00:37:46.930 --> 00:37:54.740

Perry, Agnes E

Or in our next meeting, which will be October 19, please send those to me or you can mention them now. We'll put them on the agenda.

00:37:55.990 --> 00:37:56.990

Perry, Agnes E

Is there anything?

00:37:58.920 --> 00:38:04.070

Nichole Ake, Pto President

So we can maybe revisit the Pharm tech program for next year since then.

00:38:02.990 --> 00:38:03.460

Perry, Agnes E

OK.

00:38:05.110 --> 00:38:05.420

Nichole Ake, Pto President  
Sure.

00:38:05.930 --> 00:38:34.240

Perry, Agnes E

And I can, yes, I can discuss that a little bit. Now the Pharm Tech program was not possible for several reasons. First of all, we were told that it wasn't approved. We went through a process of getting it, but we thought was approval. But Federal State Compliance said is not. Pharm Tech was never a part of our original Health Science program. That's one issue. The other issue that I I've been advertising for another Health Science teacher. I've not found one.

00:38:35.050 --> 00:38:52.970

Perry, Agnes E

So I can't move into a pharm tech program because I need my teachers to teach all the site Health Science teachers we have. We need them to teach the four years of Health Science. Dr Boughaba is in the in the background, ready to go, but until HISD federal state compliance approves.

00:38:53.790 --> 00:38:54.570

Perry, Agnes E

Debakey

00:38:56.390 --> 00:39:05.150

Perry, Agnes E

to have a Pharm tech program. And until I can hire another person then we won't have Pharm Tech. It won't happen this year.

00:39:06.700 --> 00:39:09.400

Perry, Agnes E

'cause if you if you go to HISD, uh?

00:39:10.310 --> 00:39:40.380

Perry, Agnes E

As well, I guess employee there the positions. It's still open, the positions opened, it just said everyone who has applied don't qualify. We've had PE teachers to apply. We've had Special Education teachers to apply, but anyone that works as a Health Science teacher has to have a Health Science license or certification and be certified as a teacher in order to along with work experience. In order to teach in a CTE class here at DeBakey.

00:39:41.680 --> 00:39:42.850

Perry, Agnes E

So that's the problem.

00:39:44.150 --> 00:40:03.300

Perry, Agnes E

There is supposed to be a meeting in the next month regarding getting Pharm Tech approved for next year? So that's the other hurdle, getting it approved by HISD Federal State Compliance persons. And to find another Health Science person.

00:40:04.030 --> 00:40:05.150

Perry, Agnes E

To work here at DeBakey.

00:40:05.840 --> 00:40:12.690

Perry, Agnes E

We had the pharm tech person. We really have two people but we don't have enough Health Science teachers.

00:40:13.980 --> 00:40:16.500

Perry, Agnes E

Did that help you, Mrs. Ake?

00:40:17.330 --> 00:40:18.450

Perry, Agnes E

Explain a little bit.

00:40:21.940 --> 00:40:23.730

Nichole Ake, Pto President

I understand I just want to make.

00:40:23.870 --> 00:40:31.880

Nichole Ake, Pto President

If we can get to that point next year, I know there were a lot of kids that were asking and parents, and so if we need to start now for next year.

00:40:33.110 --> 00:40:35.080

Nichole Ake, Pto President

Yeah, that might help.

00:40:33.560 --> 00:40:34.460

Perry, Agnes E

Yeah, I.

00:40:35.550 --> 00:40:39.730

Perry, Agnes E

Yeah no, we started early. I think they changed the rules on us.

00:40:41.420 --> 00:40:44.330

Perry, Agnes E

And Dean Shargey, do you agree?

00:40:47.550 --> 00:40:58.160

Shargey, Bernice A

Well, no, I agree. I think the agreements were verbal and there are some forms and.

00:41:00.270 --> 00:41:21.100

Shargey, Bernice A

Uh, courses that need to be approved? UM? And it's in the works, but it's not available, so it was

technicality and I think if we had the other available teacher then we would have pressed it. But because we need another person to sustain the existing program.

00:41:21.740 --> 00:41:35.230

Shargey, Bernice A

Uhm, and the classes are fairly, you know, that they're pretty hardy considering that we just need another person. In other words, if we were going out to the Medical Center.

00:41:37.240 --> 00:41:43.370

Shargey, Bernice A

We would not. We don't have enough staff because those CTE programs are supposed to be.

00:41:43.420 --> 00:41:43.800

Shargey, Bernice A

B.

00:41:46.260 --> 00:42:02.230

Shargey, Bernice A

Uh, they they're not supposed to have enrollment anything larger than 24. It's really 20, but they give us some grace with 20 to 24 and we have a few that are almost at 30, maybe 28 so.

00:42:03.410 --> 00:42:14.150

Shargey, Bernice A

We really need another teacher which when Ms. Perry said that it's still in the books, that means it's still available so that anyone who would be interested can apply.

00:42:15.840 --> 00:42:21.280

Shargey, Bernice A

So we are at this point preparing for the.

00:42:21.330 --> 00:42:29.020

Shargey, Bernice A

He, uh inaugural pharmacy tech program to begin the following school year so that we get all of our ducks in a row.

00:42:31.010 --> 00:42:50.490

Perry, Agnes E

So mistake what it also means is that it is a two year program, so students who are currently in 11th grade would not qualify. It would be the current 10th graders who will be level grade next year who could apply. So that's that's the downer that they'll ever graders who are. We had over 100 kids who said they were interested.

00:42:51.470 --> 00:42:54.350

Perry, Agnes E

So that's the downer ending up with greater will not qualify.

00:42:57.340 --> 00:42:57.680

Perry, Agnes E

So.

00:42:58.540 --> 00:43:03.180

Perry, Agnes E

So we're going to have to work, and if I if I need to, can I get a parent penny petition?

00:43:04.740 --> 00:43:06.470

Perry, Agnes E

If if we need it, yeah.

00:43:07.410 --> 00:43:09.530

Nichole Ake, Pto President

I think I had enough. Parents asked me that yes.

00:43:09.620 --> 00:43:10.550

Nichole Ake, Pto President

Without probably filled.

00:43:11.030 --> 00:43:11.510

Perry, Agnes E

OK.

00:43:12.360 --> 00:43:13.000

Perry, Agnes E

We'll see.

00:43:14.680 --> 00:43:15.180

Perry, Agnes E

Yes.

00:43:17.980 --> 00:43:22.090

Perry, Agnes E

So are there any other concerns, questions or comments?

00:43:25.350 --> 00:43:29.750

Andrea Simon

I have a question and it may not be the right time if we consider, I guess new business.

00:43:30.890 --> 00:43:43.270

Andrea Simon

My daughter was able to go in Shadow. One of your former students charity. I don't remember her last name. She's an up the \*\* \*\*\* she's an ophthalmologist, uh, minutes.

00:43:38.510 --> 00:43:39.500

Perry, Agnes E

The charity helping.

00:43:40.310 --> 00:43:40.850

Perry, Agnes E

Helping

00:43:42.100 --> 00:44:00.840

Perry, Agnes E

yeah, she contacted me. Charity contacted me. Yeah, the problem is that the problem with that and I was. I think it was sounding shargey charity is 1 ophthalmologist and she's writing off Holcomb. I think she could probably take one or two kids, but if I offered to one or two kids, what about the other?

00:43:44.060 --> 00:43:46.620

Andrea Simon

She did good good OK.

00:43:54.850 --> 00:43:55.320

Andrea Simon

Uh-huh

00:44:01.720 --> 00:44:02.480

Perry, Agnes E

200

00:44:02.050 --> 00:44:13.360

Andrea Simon

yeah right? So she was saying she was willing to call some other friends so that maybe they could. They might not get to do a, you know a host it but they could do a day and take turns.

00:44:13.750 --> 00:44:20.320

Perry, Agnes E

Yeah, that's yeah I need to call charity back but she did. She left a message last Friday I think for me.

00:44:14.510 --> 00:44:14.850

Andrea Simon

So.

00:44:20.800 --> 00:44:21.230

Andrea Simon

OK.

00:44:21.470 --> 00:44:22.180

Perry, Agnes E

OK, yeah.

00:44:22.160 --> 00:44:22.800

Andrea Simon

Wonderful.

00:44:23.250 --> 00:44:46.660

Shargey, Bernice A

No. I also think that when you consider you know there's a saying that that is involved there. There are lots of of things that approval. We have to have affiliation agreements with all of these various locations, and I'm not trying to be an obstacle. I'm just saying that we just don't pick up the phone and say oh, let's just walk over because.

00:44:47.400 --> 00:45:18.230

Shargey, Bernice A

And you know, current technology has their rules and regulations that they must abide by. We have to have the training plans for the children, they're just you know, and Mrs. Magana knows because she's been involved in that, that it is quite extensive. Getting all of the immunizations for children, everything that you know they work the year before to get CPR, training immunizations. The bus is the bus drivers.

00:45:18.630 --> 00:45:24.460

Shargey, Bernice A

You name it. It really does take quite a bit of organization.

00:45:22.400 --> 00:45:22.570

Perry, Agnes E

Well.

00:45:22.620 --> 00:45:22.930

Perry, Agnes E

Thanks.

00:45:23.410 --> 00:45:25.070

Magana, Derdim

Liability insurance

00:45:25.640 --> 00:45:27.800

Shargey, Bernice A

Yes ma'am. Thank you yes.

00:45:27.510 --> 00:45:54.420

Perry, Agnes E

So I was gonna talk to charity, but I wanted to talk to you Miss Magana first because the only other person I know the veterinarian offices was willing. But that's the only two that have contacted us and that's what we're talking about. Two to four kids at a time, and you have a class of 24, which we are. Which ones would you allow to go? You know, that's that was my first idea. Unless we had some other. Hello Nancy, how are you?

00:45:28.400 --> 00:45:28.710

Andrea Simon

yeah.

00:45:51.200 --> 00:45:51.450

Magana, Derdim

Well.

00:45:55.010 --> 00:45:59.320

Perry, Agnes E

Uh, unless we had some a smaller, you know.

00:46:00.410 --> 00:46:09.420

Perry, Agnes E

Institutions in this area. That's willing. The only other thing I thought about would be some of the pharmacies we have CBS. We at Walgreens, but that's you know as as.

00:46:10.770 --> 00:46:20.430

Perry, Agnes E

Not as a pharmacy tech, but as just working in a pharmacy or observing in the pharmacy, but I don't know of anything any. If we'd have enough.

00:46:21.380 --> 00:46:23.180

Perry, Agnes E

Has anyone ever tried hard?

00:46:21.720 --> 00:46:24.720

Shargey, Bernice A

Yeah, I'm just curious. As Nancy came in.

00:46:22.740 --> 00:46:23.120

Magana, Derdim

Again.

00:46:27.140 --> 00:46:27.630

Magana, Derdim

Again.

00:46:27.460 --> 00:46:48.810

Shargey, Bernice A

Update needs were talking about externship opportunities, and we've had some two graduates that said they would be willing to take a few students, but we have, you know, 189 students or so 200 in the junior class. And how do you service everyone?

00:46:38.260 --> 00:46:38.650

Moreno, Nancy P.

Ah.

00:46:49.550 --> 00:46:50.190

Shargey, Bernice A

Without

00:46:50.920 --> 00:46:55.800

Shargey, Bernice A

you know, disenfranchising the majority of the group. So that's what we were chatting about.

00:46:53.940 --> 00:46:54.280

Perry, Agnes E

Yeah.

00:46:56.510 --> 00:46:57.710

Moreno, Nancy P.

OK, thank you.

00:46:56.640 --> 00:46:57.350

Magana, Derdim

And it also.

00:46:56.640 --> 00:47:04.150

Perry, Agnes E

And I think that we would we would concentrate on seniors first. Junior still have another year, another opportunity. So Miss McGowan had something.

00:47:00.930 --> 00:47:01.280

Andrea Simon

Right?

00:47:03.060 --> 00:47:04.360

Andrea Simon

I agreements parent.

00:47:04.900 --> 00:47:15.520

Magana, Derdim

And it it also goes above her head as well, because HISD is the CTE department is not allowing students to go out to training centers. Health Science students right now.

00:47:16.690 --> 00:47:20.090

Perry, Agnes E

Well, I know they're not around I wanna yeah.

00:47:17.230 --> 00:47:17.480

Magana, Derdim

And.

00:47:20.130 --> 00:47:48.660

Magana, Derdim

Mean if these are students are doing this on their own, volunteering their time that doesn't have anything to do with HISD. That is something separate that you know that is entirely up to them. But if you're going to go through the school system, then Azzedine said you know, and they affiliation agreements. There's a lot of paperwork involved with that, and right now it as far as we know it, CTA is not allowing our students to do that because of COVID.

00:47:38.640 --> 00:47:39.080

Shargey, Bernice A

Yes.

00:47:49.090 --> 00:48:20.180

Perry, Agnes E

Yeah, they're not letting our kids compete UM face to face with hoes. And you know that's a big activity every year. They're willing. I think that we want to do virtual but hosted this year is doing face to face a. This is an organization that's not only in the Houston area, but Texas and nationally. So there's there's

some districts they're OK with face to face competitions, HISD, approved, UIL. But they didn't approve anything else. And I think they were approved football.

00:48:21.230 --> 00:48:25.640

Perry, Agnes E

M basketball I think the sports but they have not approved HOSA.

00:48:27.420 --> 00:48:40.630

Perry, Agnes E

And and you know, I don't know so but Mrs. Simon that I I did, I did get a message from charity. I just need to know are there any other?

00:48:30.360 --> 00:48:30.910

Nichole Ake, Pto President

Decorate.

00:48:41.280 --> 00:48:45.580

Perry, Agnes E

Options, but they along with charity so we could accommodate.

00:48:46.370 --> 00:48:50.040

Perry, Agnes E

Uhm, at least have the kids have at least one or two days.

00:48:51.080 --> 00:48:53.790

Perry, Agnes E

Observation which would be better than nothing.

00:48:54.730 --> 00:48:57.890

Perry, Agnes E

So I guess that's something if we get some volunteers.

00:48:55.140 --> 00:48:55.460

Andrea Simon

OK.

00:48:58.850 --> 00:49:01.980

Perry, Agnes E

Andrea Simon

Perry, Agnes E

Perry, Agnes E
