

HISD MEDIA ADVISORY

Astronauts to answer high school students' questions live from the International Space Station

WHAT: NASA Astronauts orbiting the earth aboard the International Space Station will dialogue with HISD high school students.

Astronauts will answer prerecorded questions from Sam Houston Math, Science, and Technology Center students. The questions will come from members of the Jr. ROTC, National Honor Society, and physics classes.

The event will connect students' coursework to life and work aboard the space station.

WHO: Astronauts **Bob Hines** and **Kjell Lindgren**, Principal **Diego Linares**

WHEN: Thursday, Sept. 22
9:30 a.m. Central Standard Time

The space-to-Earth call will air live from 10:10 a.m. to 10:30 a.m. Central Standard Time on Thursday, Sept. 22, on NASA Television, the [NASA app](#), and the NASA [website](#). Media seeking interviews and video at Sam Houston MSTC should be in place at 9:30 a.m.

WHERE: Sam Houston MSTC
9400 Irvington Blvd., Houston, TX 77076

The Houston Independent School District is the largest school district in Texas and the eighth-largest in the United States, with 276 schools and nearly 197,000 students. The 333-square-mile district is one of the largest employers in the Houston metropolitan area, with more than 27,000 employees.
