Hilliard Elementary Title 1 Campus Parent and Family Engagement Policy
2023-2024

The Title 1 Program, is a federal program that provides additional money to qualified schools. At Hilliard Elementary, we believe that by working together, we can help your child reach his/her full potential.

Hilliard Elementary will ensure that all families are provided the opportunity to sign a compact to help students succeed. The School-Parent-Compact shows ways to make sure that every student meets state student performance standards.

The goal of the Hilliard Elementary Title 1 Program is to reach all parents and families in a team-building effort in order to comply with all State and Federal requirements for Title 1.

Hilliard Elementary School shall:

- Convene an annual meeting
- Offer a flexible number of meetings/workshops/parent-family conferences that will lead to improved student achievement.
- Involve parents and families in an organized, ongoing, and timely way in program planning, reviewing, and improving.
- Provide all staff members with professional development focused on encouraging parent and family engagement.
- Provide all involved parties (including students) the opportunity to sign a School-Parent-Student Compact.
- Communicate in a language parents and families can understand.
- Assist parents and families in understanding state academic content and student performance standards as well as state and local assessments.
- Provide opportunities for participating in school activities for all parents and families, including parents with disabilities and limited English proficiency.
- Provide opportunities for parents and families to give feedback or suggestions for improvement of school and academic programs.
