

What is a School-Parent Compact?

A **School-Parent Compact for Achievement** is an agreement that parents/caregivers, students, and teachers develop together. It explains how parents/caregivers and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- ✓ Link to goals of the school improvement plan
- ✓ Focus on student learning skills
- ✓ Describe how teachers will help students develop those skills using high-quality instruction
- ✓ Share strategies parents/caregivers can use at home
- ✓ Explain how teachers and parents/caregivers will communicate about student progress
- ✓ Describe opportunities for parents/caregivers to volunteer and participate in the classroom.

Team Work, 5 Houses in One Family!

The parents/caregivers, students, and staff of Walnut Bend Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents/caregivers added ideas to make them more specific, and students told us what would help them learn. Meetings are held annually to review the Compact and make changes based on student needs.

Walnut Bend Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to hear from us are:

1. Monthly "check-in" notes or phone calls
2. Updates on the school website and social media
<https://www.houstonisd.org/walnutbendes> @walnutbendes
3. Current grades in the Parent Portal:

If you have questions about your child's progress, please contact your child's teacher through e-mail or ClassDojo.
