

### Assignment #1 – Welcome!

**DUE: ASAP :)**

You'll join the Team for AP Physics C Summer Information to stay in the loop!

Please follow the instructions below:

- Go to Teams and join ours using this code: **0u86upp** (this is the one we will use for summer contact and updates)
- Also go to [khanacademy.org](https://www.khanacademy.org)
- Create an account or log in with an existing account
- Use this code to join the class: **RAPYSEZ3**. It's titled "AP Physics C Summer Assignment (2022)."

AP Physics C Summer  
2022

### Assignment #2 – Physics 1 Review

**DUE: September 2, 2022 by 8:30am**

You will do some work to review Physics 1 content and to prepare for electricity that is covered in Physics C.

Please complete the following:

- Complete the assignments listed in the Khan Academy class that you joined in Assignment #1. If you don't see assignments by the end of June, please message me on Teams. They may have to be individually assigned to you.
- This review will also include electricity so that you can preview it before we cover that content in class.

### Assignment #3 – Supply List

**DUE: August 26, 2022 by 8:30am**

You will need a couple of things to ensure we start the school year off successfully.

Please bring the following:

- A composition notebook (this will be for lab write-ups) – lined or graph paper is fine, and you can do college-ruled or wide-ruled it's up to you
  - o You can also continue to use your lab notebook from Physics 1
- A box of tissues
- It is highly recommended that you have a graphing calculator. They will be provided for in class use when needed, but it would be great for you to have access to one outside of class as well.
